Miller, 2018-12-10 Miller takes us on an exciting tour of postcolonial and world literature guiding us through the literary maze of the real and the pretenders to the real Ngugi wa Thiong'o author of *Wizard of the Crow* Writing a new page in the surprisingly long history of literary deceit *Impostors* examines a series of literary hoaxes deceptions that involved flagrant acts of cultural appropriation This book looks at authors who posed as people they were not in order to claim a different ethnic class or other identity These writers were in other words literary usurpers and appropriators who trafficked in what Christopher L Miller terms the intercultural hoax In the United States such hoaxes are familiar Forrest Carter's *The Education of Little Tree* and JT LeRoy's *Sarah* are two infamous examples Miller's contribution is to study hoaxes beyond our borders employing a comparative framework and bringing French and African identity hoaxes into dialogue with some of their better known American counterparts In France multiculturalism is generally eschewed in favor of universalism and there should thus be no identities in the American sense to steal However as Miller demonstrates this too is a ruse French universalism can only go so far and do so much There is plenty of otherness to appropriate This French and Francophone tradition of imposture has never received the study it deserves Taking a novel approach to this understudied tradition *Impostors* examines hoaxes in both countries finding similar practices of deception and questions of harm In this fascinating study of intercultural literary hoaxes Christopher L Miller provides a useful brief history of American literary impostures as a backdrop for his investigation of France's literary history of ethnic usurpation Henry Louis Gates Jr New York Times bestselling author **Alice's Adventures** Will Brooker, 2004-01-01 The author of *Batman Unmasked* and *Using the Force* turns his attention to Lewis Carroll and Alice taking the reader through a revealing tour of late 20th Century popular culture following Alice and her creator wherever they go The result is an in depth analysis of how one original creation symbolizes different things to different people Text, Lies and Cataloging Jana Brubaker, 2018-07-10 What do James Frey's *A Million Little Pieces* Margaret B Jones' *Love and Consequence* and Wanda Koolmatrie's *My Own Sweet Time* have in common None of these popular books are what they appear to be Frey's fraudulent drug addiction memoir was really a semi fictional novel Jones' chronicle of her life in a street gang was a complete fabrication and Koolmatrie was not an Aboriginal woman removed from her family as a child as in her seemingly autobiographical account but rather a white taxi driver named Leon Carmen
