Acts 15 For The Practical Messianic:

Acts 15 for the Practical Messianic J. K. McKee, 2021-05-25 There is some shifting going on in today's Messianic world as it concerns the unity that Jewish and non Jewish Believers are to experience in Messiah Yeshua and whether or not non Jewish Believers are really called to obey God's Torah Much of this controversy is not based in an objective historically conscious reading of the Scriptures but instead in shifting ministerial alliances and religious politicking The answer is not going to be found in evaluating who said what but will be found in going to the Biblical text and in accurately evaluating what the trajectory of God's Word is Around two decades after the ascension of Yeshua into Heaven the message of salvation began being spread to the Mediterranean world outside the Land of Israel and many from the nations eagerly embraced it Was this just a byproduct of the message going to the Jewish people in the Diaspora or was it the Father's Divine plan What was to take place with the new non Jewish Believers Did they have to be circumcised and become Jewish proselytes Or were all of the Believers regardless of their ethnicity to come together in a new environment rooted in the completed work of God's Son The Jerusalem Council of Acts 15 assembled to consider these issues and it fairly ruled on what was to be done Too many of today's Messianics refer to Acts 15 without a great deal of consideration for the context of the events as they took place in the First Century C E We often assume things that we should not assume and we overlook things that we should not be overlooking This study critically examines Acts 15 in detail is engaged with current Acts scholarship and tries to properly compare and contrast the ancient setting of the Jerusalem Council with some of what we see going on in the emerging Messianic movement today What can we learn from all of this What important lessons have we avoided for far too long

Remember the Sabbath David Wilber, 2022-02-11 Should Christians keep the Sabbath Many today believe that we should However it is often said that the Sabbath was repealed or changed in the New Testament What does the New Testament actually say about Sabbath observance for Christians David Wilber takes readers back to the Scriptures to discover the answer to this question In this book you will learn what the New Testament says about this sacred day of rest and why it matters to Christians Text, Thought, and Practice in Qumran and Early Christianity Ruth Clements, Daniel R. Schwartz, 2010-01-01 The 13 papers comprising this volume represent the fruits of the first Orion Center Symposium devoted to the comparison of the Dead Sea and early Christian texts The authors reject the older paradigm which configured the similarities between Qumran and early Christian literature as evidence of influence from one upon the other They raise fresh methodological possibilities by asking how insights from each of these two corpora illuminate the other and by considering them as parallel evidence for broader currents of Second Temple Judaism Topics addressed include specific exegetical and legal comparisons prophecy demonology and messianism the development of canon and the rise of commentary and possible connections between the Gospel of John and the Dead Sea Scrolls Everything You Need to Grow a Messianic Synagogue Dr. Phillip Goble, 1974 *Introduction to Messianic Judaism* Zondervan, 2013-02-05 This book is the go to source for
