Acupuncture Without Needles:

Chinese Micro-massage Jacques A. Lavier, 1977 **Acupuncture Without Needles** J. V. Cerney, 1983 Revised and updated with new detailed illustrations for a contemporary look this book presents acupressure in terms that anyone can understand and use in the privacy of his or her own home The author demonstrates step by step how to apply this ancient Chinese healing art of finger pressure techniques to treat a wide variety of ailments such as fatigue migraine colds tension loss of hearing eye problems blood pressure problems and many more With new illustrations this book lets the reader see where pain or discomfort begins how it may show up in other parts of the body and how to use this needle less technique to eliminate it This is the original book on the subject and a popular alternative medicine classic that has sold successfully for more than twenty years With over 100 clear useful illustrations it is the most user friendly book on the market Copyright Libri GmbH All rights reserved Acupuncture without Needles J. V. Cerney, 1999-06-01 Find relief from pain and illness through the healing art of acupressure a home healing variation on the 5 000 year old tradition of Chinese acupuncture Newly revised and updated this modern health classic guides you step by step through the simple finger pressure techniques that send soothing relief surging to the sources of pain and discomfort Learn how to determine where pain begins how it may show up in other parts of the body and how to make it disappear with a touch of a finger all without resorting to expensive drugs difficult therapies invasive surgery or even the prick of a needle Presented in clear easy to understand language and accompanied by over 100 illustrations these techniques have long been proven effective in relieving a wide variety of ailments and conditions including asthma backache constipations high blood pressure impotence menopause menstruation pain nausea sciatica and stress Learn the ancient art of Acupuncture without Needles and enjoy pain free health and vitality that s as easy to achieve as pushing a button **The Healing Benefits of Acupressure** Fred M. Houston, 1991-02-01

The Healing Benefits of Acupressure Fred M. Houston, Francis M. Houston, 1991 Shows how the simple application of finger pressure to specific points of the body can stimulate and alleviate many common ailments **Emily's Book of Health Without Drugs** Emily Thacker, 2012-04-04 Emily s Book of Health Without Drugs In your letters I see a continuing concern for maintaining good health without a lot of prescription drugs and doctor visits And I have been asked over and over what natural remedies are available for relieving pain This book offers me the opportunity to share some ways to better health that you may not be familiar with I hope to encourage each of you to be more aware of your body and how it works Many of us grew up hearing words like these every day Clean up your plate or no dessert You can have a cookie if you re good We now know that when food is used as a reward it can lead to poor eating habits How many times do we use food to soothe frazzled nerves calm fears or relieve tension Too much of this and we are overweight This volume is not a diet book but it IS a book about diet because good eating habits are of value for much more than weight control We have tens of thousands of cells in our bodies all dependent on what we put into our mouths Good health requires us to eat a balanced diet

drink plenty of water and reduce the amount of caffeine fat nicotine and overly processed foods we eat It is also important now and then to slow down a bit and relax We all need to take time to enjoy a bit of laughter and appreciate those around us who make life worth living This brings needed balance to our lives Pressure points : do it yourself acupuncture without needles Keith Kenyon,Paul Winchell,1974 **Painless Birth Methods** Liam Brown,AI,2025-02-23 Painless Birth Methods offers expectant parents a comprehensive guide to labor pain management exploring both pharmacological and non pharmacological options The book addresses the common desire for a painless childbirth experience reframing it as proactive and educated management of discomfort It presents techniques ranging from epidural anesthesia to natural pain relief methods like breathing exercises massage therapy and mindfulness emphasizing the importance of informed choices Interestingly the book traces the evolution of childbirth practices from historical home births to modern hospital settings highlighting the increasing role of medical interventions It emphasizes that while complete absence of pain may be the ideal maternal agency in managing discomfort is key to a positive birth experience The book progresses by first introducing the physiology of labor pain and then delving into both medical and natural methods providing step by step instructions and evidence based research A unique aspect of this resource is its holistic approach combining medical knowledge with mind body techniques to empower readers in creating personalized birth plans It includes guidance on communicating preferences to healthcare providers and addresses potential challenges By blending scientific evidence with practical advice Painless Birth Methods equips expectant parents and birth professionals with the tools needed to confidently navigate labor pain management How to Unbreak Your Health Alan E.
