Behind The Watchtower Curtain The Secret Society Of Jehovahs Witnesses:

Behind the Watchtower Curtain David A. Reed, 1989 **Apocalypse Delayed** M. James Penton, 1997-01-01 M James Penton offers a comprehensive overview of a remarkable religious movement from the Witnesses inauspicious creation by a Pennsylvania preacher in the 1870s to its position as a religious sect with millions of followers world wide This second edition features an afterword by the author and an expanded bibliography **Jehovah's Witnesses** Andrew Holden, 2012-11-12 This is the first major study of the enigmatic religious society By examining the Jehovah s Witnesses dramatic recent expansion Andrew Holden reveals the dependency of their quasi totalitarian movement on the physical and cultural resources have brought about the privatization of religion the erosion of community and the separation of fact from faith **Another Jesus, a Different Spirit, a Different Gospel** Steven H. Propp, 2011-12-13 Its the Christmas season the most wonderful time of the year for most people in River City California But for Jehovahs Witnesses Lawrence and Brad its a time for them to try to explain the truth about this holiday season to the people of the community Their earnest efforts may earn them ridicule disagreement or a door slammed rudely in their faces but they persist and are sometimes able to find a mind and heart receptive to their urgent message about Jehovahs coming Kingdom Whereas for Elders Skousen and Marshall two Latter day Saint Mormon missionaries the season is another opportunity to share their Churchs distinctive interpretation of the Christian gospel but their efforts are often rebuffed as well In the course of their work these two pairs of men engage in dialogue with traditional Christians as well as members of the Church of Christ the Community of Christ RLDS Seventh day Adventists and Oneness Pentecostals not to mention skeptics atheists and the increasing numbers of people who lack any particular religious beliefs But when a local church brings in a researcher to give a series of lectures on Cults and specifically targeting the Jehovahs Witnesses and Mormons a confrontation is ensured where theological and biblical concepts collide in a public forum Who if anyone really has the Truth Can one still discover the true meaning of Christmas in the midst of passionate disagreements over the validity of the holiday season Are objections raised about the secularization and rampant commercialism of the modern celebration valid Spend a holiday season or any other season with some interesting and intellectually stimulating characters as they explore these and other challenging questions Readers of the authors earlier novel *A Multicultural Christmas* will be pleased to see a brief reappearance of two characters from that book **Canadian Pentecostals, the Trinity, and Contemporary Worship Music** Michael A. Tapper, 2017-05-08 This volume offers a landmark analysis of the trinitarian impulses in contemporary worship music used by the Pentecostal Assemblies of Canada PAOC It considers whether the lyrics from the most commonly used PAOC songs are consistent with this Evangelical group s trinitarian statement of faith Colin Gunton s trinitarian theology provides the theological rationale for eight original and qualitative content analyses of these songs Three major areas are considered the doctrine of God human personhood and cosmology Making use of Gunton s notions of relationality particularity and perichoresis along with several key Pentecostal

scholars this book serves as a helpful descriptive and prescriptive theological resource for the dynamic practice of a trinitarian faith Behind the Watchtower Curtain David A. Reed,2006-06-01 **Cultic Studies Journal** ,1990

Confessions of a Teenage Jesus Jerk Tony Dushane,2010-01-10 Gabe is a teenage Jehovah s Witness convinced God will kill him at Armageddon for masturbating But Gabe s not alone there s Peter who writes swear words in the margins of his papers Jihyun the Korean kid who subsists on Ho Hos and Doritos and Camille who follows Gabe around trying to be his girlfriend There s also Gabe s mom who sleeps sixteen hours a day and his dad an elder who decides the fate of sinners like the married couple who confesses to accidentally having anal sex There s Brother Miller an elder with a Napoleon complex who accompanies Gabe from door to door encouraging him to knock with confidence and Sister Feeney who looks forward to the day she can move into a Spanish style house after its owner dies at the end of the world Luckily for Gabe there is Uncle Jeff who used to tour with Santana and now gives Gabe the only valuable girl advice he ever receives It s hard when school days are spent dodging questions about your weird religion and weekends mean preaching house to house Life looks dreary until Gabe falls for Camille s beautiful older sister and begins to see her as the answer to his frustrations **Index to Book Reviews in Religion** ,1993 **The Watchtower** ,1947
