old tired reality that's been talked about for decades. It's not a sugar-coated love and light routine. And it's not another feel-good manual or how to succeed without really trying rehash. It's not psycho babble, quick fix therapy preaching or lamenting a cause. This book takes a no-nonsense look at what is really happening behind the scenes, above the scenes, and beyond the scenes. It addresses the issues you and I are facing right now and will be facing for a long time to come. It uses the past only as a springboard for stepping into the unknown into the big picture. It exposes the lies, coverups, deceit, control, and manipulation that have kept the people of Earth locked into rigid systems of dogma and despair. But it also offers real solutions that are timely and yet timeless. It gives you ideas that can help you put the pieces of the cosmic jigsaw together. And practical advice that can stimulate your creative juices. Get out your surfboard and ride the cutting edge. *The Truth About Love and Fear* Rudolf Eckhardt, 2018-04-23. We live every day without being aware that fear controls many of our choices and decisions. The consequences our fear-based behavior has on our life and relationships also contributes to the collective fear and distrust in the world. When we recognize fear for what it really is, we can initiate an effort to deal with it. In *The Truth About Love and Fear*, author Rudolf Eckhardt shows how we can take individual responsibility for our issues by addressing our fears and insecurities. This will transform our lives and the lives of those around us. He provides answers to questions about consciousness, life, and relationships and discusses how life is about being and not about doing. You can be a powerful person rather than just engaging in acts of power. True change is different from changing your feelings, perception, thoughts, and behaviors. It feels to experience unconditional love. Fear and guilt have power, and love and fear influence your mind and control your behavior. *The Truth About Love and Fear* leads you to a new understanding of the nature of unconditional love, acceptance, and trust and explains the potential of your personal power and the lack of it in your life. It challenges your present way of thinking, makes you question your perception, and changes your belief of who you are and the way you see your relationships and life. It alters your thoughts of your past, your present, and your future. God in the Mirror Dr. J.J. Meier, 2009-03-11. For many people, the concept of a Divine Spirit is elusive. Many question who or what God is. In today's chaotic world, it's no wonder we have questions. The issues we face from personal to global disconnect us physically and detach us from our spiritual energy. J.J. Meier has written *God in the Mirror* to reconnect us to the Universe, to reflect a new vision of God, and ultimately a new vision of you. Using spiritual concepts from world religions, Dr. Meier examines our physical, emotional, mental, and spiritual natures, including our health, our energy level, and our ability to love and forgive. Essentially, the layers of our Being. Because your world reflects the state of YOU, you can choose to change your individual state anytime. Life can be full of wonder and delight, joy and forgiveness, love and bliss. *God in the Mirror* guides you on a journey that starts in your mind, travels through your heart, and settles into your soul. This book is rich with insights that lead to realizations that each of us is a reflection of the God Source, ever connected and never separated.
