

KATHERINE DUNHAM

A TOUCH OF
Innocence

MEMOIRS OF CHILDHOOD

"An absorbing family chronicle written with a gift for physical detail sometimes too real for comfort."

—Langston Hughes

A Touch Of Innocence A Memoir Of Childhood

Molefi Kete Asante

A Touch Of Innocence A Memoir Of Childhood:

A Touch of Innocence Katherine Dunham, 1994-06 An internationally known dancer choreographer and gifted anthropologist Katherine Dunham was born to a black American tailor and a well to do French Canadian woman twenty years his senior This book is Dunham s story of the chaos and conflict that entered her childhood after her mother s early death In stark prose she tells of growing up in both black and white households and of the divisions of race and class in Chicago that become the harsh realities of her young life A riveting narrative of one girl s struggle to transcend the painful confusions of a family and culture in turmoil Dunham s story is full of the clarity candor and intelligence that lifted her above her troubled beginnings A Touch of Innocence is an absorbing family chronicle written with a gift for physical detail sometimes too real for comfort In quietly graphic prose the growing girl the slightly older brother the ambitious father and the kind stepmother are pictured in such human terms that when their lives get tied into harder and harder knots beyond their undoing one can only continue to read helplessly as doom closes in upon the household Langston Hughes New York Herald Tribune A Touch of Innocence is one of the most extraordinary life stories I have ever read The content of this book is so heartbreaking that only the strongest artistic skills can keep it from leaking out into sobbing self pity but Katherine Dunham s art contains it understands it and refuses to be overwhelmed by its terrors Elizabeth Janeway New York Times The first eighteen years of the famous dancer and choreographer s life are brought vividly to the reader in this first volume of her autobiography She writes of what it is like to be a special gifted young woman growing up in a racially mixed family in the American Middle West A beautiful touching and sometimes discomfiting book Publishers Weekly As writing it is honest searing graphic and touching giving us a rather heartbreaking early view of the young American Negro who was later to make a name for herself as a dancer and choreographer Arthur Todd Saturday Review

A History of African American Autobiography Joycelyn Moody, 2021-07-22 This History explores innovations in African American autobiography since its inception examining the literary and cultural history of Black self representation amid life writing studies By analyzing the different forms of autobiography including pictorial and personal essays editorials oral histories testimonials diaries personal and open letters and even poetry performance media of autobiographies this book extends the definition of African American autobiography revealing how people of African descent have created and defined the Black self in diverse print cultures and literary genres since their arrival in the Americas It illustrates ways African Americans use life writing and autobiography to address personal and collective Black experiences of identity family memory fulfillment racism and white supremacy Individual chapters examine scrapbooks as a source of self documentation African American autobiography for children readings of African American persona poems mixed race life writing after the Civil Rights Movement and autobiographies by African American LGBTQ writers

Children of the Dream Laurel Holliday, 2014-02-04 I let somebody call me nigger It wasn t just any old body either it was my friend That really hurt Amitiyah Elayne Hyman Martin Luther King Jr dreamed of a day when

black children were judged not by the color of their skin but by the content of their character His eloquent charge became the single greatest inspiration for the achievement of racial justice in America In her powerful fourth book in the Children of Conflict series Laurel Holliday explores how far we have come as she presents thirty eight African Americans who share their experiences as Children of the Dream I was brought up with white Barbie dolls of impossible proportions and long silky blonde hair neither of which I possessed As a child I believed what I was taught and I wasn't taught to love myself for who I am an African American Charisse Nesbit The unforgettable people we hear from are young and old rich and poor from inner cities suburbia and rural America In chronicles that are highly personal funny tragic and triumphant the contributors tell us what it is like coming of age stigmatized by the color of their skin yet proud of their heritage and culture Their voices their courage their resilience and their understanding offer hope for us all

Black Women's Yoga History Stephanie Y.

Evans,2021-03-01 How have Black women elders managed stress In Black Women's Yoga History Stephanie Y Evans uses primary sources to answer that question and to show how meditation and yoga from eras of enslavement segregation and migration to the Civil Rights Black Power and New Age movements have been in existence all along Life writings by Harriet Jacobs Sadie and Bessie Delany Eartha Kitt Rosa Parks Jan Willis and Tina Turner are only a few examples of personal case studies that are included here illustrating how these women managed traumatic stress anxiety and depression In more than fifty yoga memoirs Black women discuss practices of reflection exercise movement stretching visualization and chanting for self care By unveiling the depth of a struggle for wellness memoirs offer lessons for those who also struggle to heal from personal cultural and structural violence This intellectual history expands conceptions of yoga and defines inner peace as mental health healing and wellness that is both compassionate and political

Racism in Contemporary America Meyer Weinberg,1996-05-23

Racism in Contemporary America is the largest and most up to date bibliography available on current research on the topic It has been compiled by award winning researcher Meyer Weinberg who has spent many years writing and researching contemporary and historical aspects of racism Almost 15 000 entries to books articles dissertations and other materials are organized under 87 subject headings In addition there are author and ethnic racial indexes Several aids help the researcher access the materials included In addition to the subject organization of the bibliography entries are annotated whenever the title is not self explanatory An author index is followed by an ethnic racial index which makes it convenient to follow a single group through any or all the subject headings This is a source book for the serious study of America's most enduring problem as such it will be of value to students and researchers at all levels and in most disciplines

100 Greatest African Americans Molefi Kete Asante,2010-06-28 Since 1619 when Africans first came ashore in the swampy Chesapeake region of Virginia there have been many individuals whose achievements or strength of character in the face of monumental hardships have called attention to the genius of the African American people This book attempts to distill from many wonderful possibilities the 100 most outstanding examples of greatness Pioneering scholar of African American

Studies Molefi Kete Asante has used four criteria in his selection the individual s significance in the general progress of African Americans toward full equality in the American social and political system self sacrifice and the demonstration of risk for the collective good unusual will and determination in the face of the greatest danger or against the most stubborn odds and personal achievement that reveals the best qualities of the African American people In adopting these criteria Professor Asante has sought to steer away from the usual standards of popular culture which often elevates the most popular the wealthiest or the most photogenic to the cult of celebrity The individuals in this book examples of lasting greatness as opposed to the ephemeral glare of celebrity fame come from four centuries of African American history Each entry includes brief biographical information relevant dates an assessment of the individual s place in African American history with particular reference to a historical timeline and a discussion of his or her unique impact on American society Numerous pictures and illustrations will accompany the articles This superb reference work will complement any library and be of special interest to students and scholars of American and African American history

Black in the Middle Terrion L. Williamson, 2020-09-01 A timely compelling collection that allows predominantly Black Midwesterners to reclaim their home histories and future Jen Cox Chicago Review of Books Black Americans have been among the hardest hit by the rapid deindustrialization and accompanying economic decline that have become so synonymous with the Midwest Since the 2016 election many traditional media outlets have renewed attention on the conditions of Middle America but the national discourse continues to marginalize the Black people who live there Black in the Middle brings the voices of Black Midwesterners front and center Filled with compelling personal narratives thought provoking art and searing commentaries this anthology explores the various meanings and experiences of blackness throughout the Rust Belt the Midwest and the Great Plains Bringing together people from major metropolitan centers like Detroit and Chicago as well as smaller cities and rural areas where the lives of Black residents have too often gone unacknowledged this collection is a much needed corrective to the narrative of the region Ambitious and eclectic with African American humanity on display Joseph P Williams Minneapolis Star Tribune The honesty in the essays the emergency in the poetry and the intensity of the photographs and paintings help to sharpen the edge of what it means to be Black in the middle of anything which is the sum of our fears and the hope that manifests itself in our dreams Jason Vasser Elong St Louis Post Dispatch Timely and evocative By calling forth the full range of the Black Midwestern experience this bracing anthology offers crucial insights into why the region is the epicenter of current protests against police brutality and racial injustice Publishers Weekly

Josephine Baker and Katherine Dunham Hannah Durkin, 2019-08-16 Josephine Baker and Katherine Dunham were the two most acclaimed and commercially successful African American dancers of their era and among the first black women to enjoy international screen careers Both also produced fascinating memoirs that provided vital insights into their artistic philosophies and choices However difficulties in accessing and categorizing their works on the screen and on the page have obscured their

contributions to film and literature Hannah Durkin investigates Baker and Dunham's films and writings to shed new light on their legacies as transatlantic artists and civil rights figures Their trailblazing dancing and choreography reflected a belief that they could use film to confront racist assumptions while also imagining within significant confines new aesthetic possibilities for black women Their writings meanwhile revealed their creative process engagement with criticism and the ways each mediated cultural constructions of black women's identities Durkin pays particular attention to the ways dancing bodies function as ever changing signifiers and de stabilizing transmitters of cultural identity In addition she offers an overdue appraisal of Baker and Dunham's places in cinematic and literary history

African American Lives Henry Louis Gates Jr., Evelyn Brooks Higginbotham, 2004-04-29 African American Lives offers up to date authoritative biographies of some 600 noteworthy African Americans These 1 000 3 000 word biographies selected from over five thousand entries in the forthcoming eight volume African American National Biography illuminate African American history through the immediacy of individual experience From Esteban the earliest known African to set foot in North America in 1528 right up to the continuing careers of Venus and Serena Williams these stories of the renowned and the near forgotten give us a new view of American history Our past is revealed from personal perspectives that in turn inspire move entertain and even infuriate the reader Subjects include slaves and abolitionists writers politicians and business people musicians and dancers artists and athletes victims of injustice and the lawyers journalists and civil rights leaders who gave them a voice Their experiences and accomplishments combine to expose the complexity of race as an overriding issue in America's past and present African American Lives features frequent cross references among related entries over 300 illustrations and a general index supplemented by indexes organized by chronology occupation or area of renown and winners of particular honors such as the Spingarn Medal Nobel Prize and Pulitzer Prize

100 Black Women Who Shaped America Glenn L. Starks, 2024-06-27 This introductory text explores the lives of 100 Black women and their unique and meaningful legacies upon the history society and culture of the USA Today the names and remarkable achievements of Black women such as Maya Angelou Serena Williams Michelle Obama and Oprah Winfrey are well known to many Americans Yet throughout American history many lesser known Black women like them have made invaluable contributions to sports science the arts medicine politics and civil rights Josephine St Pierre Ruffin who published the first newspaper written for and by African American women championed the cause of women's suffrage Matilda Sissieretta Jones whose father was an enslaved person toured Europe and performed at the White House in front of four different presidents as one of the great sopranos of her generation Augusta Savage overcoming racism and sexism became one of the most celebrated sculptors in history This book serves as an important reminder that the story of America cannot be told without the Black women who with strength and determination have always pushed America forward even when others held them back

As recognized, adventure as well as experience approximately lesson, amusement, as capably as settlement can be gotten by just checking out a book **A Touch Of Innocence A Memoir Of Childhood** furthermore it is not directly done, you could say you will even more regarding this life, roughly speaking the world.

We allow you this proper as well as simple artifice to get those all. We meet the expense of A Touch Of Innocence A Memoir Of Childhood and numerous ebook collections from fictions to scientific research in any way. among them is this A Touch Of Innocence A Memoir Of Childhood that can be your partner.
