A Vision for Preaching Abraham Kuruvilla, 2015-09-15 This book by a well respected teacher of preachers develops an integrated biblical and theological vision for preaching that addresses the essentials of this most important activity in the church Drawing on influential voices from church history Abraham Kuruvilla reclaims what has been lost through the centuries and offers fresh insights showing preachers what they can aim for as an ideal in their preaching He helps preachers have a better conception of what it means to preach a fuller understanding of the divinely granted privilege of preaching and a greater excitement for the preaching ministry Concluding biblical reflections reinforce the teaching of each chapter *A Vision for Preaching* Abraham Kuruvilla, 2015

A Philosophy of Pastoral Preaching David A. Christensen, 2023-05-26 I am a pastor I preach Doesn't that make me a pastoral preacher Not necessarily Many preach missional rather than pastoral sermons designed to appeal to the unchurched not the church The popularity of regional churches and the global reach of the internet allow preachers to focus their sermons on people they do not know and market a message to an audience they never see Evangelical leaders produce many resources on attractional preaching but who is developing a vision for pastoral preaching David Christensen draws on years of experience to develop a philosophy of pastoral preaching He writes Social media changes the way we preach More and more pastors are preaching clickbait sermons These are sermons designed to get clicks or attract interest rather than teach truth We want catchy titles and clever analogies that will grab people's attention because the digital world is built on attention whatever will get likes or drive outrage However pastoral preaching

builds community It is rooted in local soil to the people we know in the place we live We need a philosophy of preaching that shepherds a community of disciples who worship together in one place *Preaching with Cultural Intelligence* Matthew D. Kim, 2017-10-17 To preach effectively in today's world preachers need cultural intelligence They must build bridges between listeners who come from various denominations ethnicities genders locations religious backgrounds and more Experienced preacher and teacher Matthew Kim provides a step by step template for cross cultural hermeneutics and homiletics equipping preachers to reach their varied listeners in the church and beyond Each chapter includes questions for individual thought or group discussion The book also includes helpful diagrams and images a sample sermon and appendixes for exegeting listeners and for exploring cultural differences *Journal of Biblical and Theological Studies* Daniel S. Diffey, Ryan A. Brandt, 2016-10-12 The Journal of Biblical and Theological Studies JBTS is an academic journal focused on the fields of Bible and Theology from an inter denominational point of view The journal is comprised of an editorial board of scholars that represent several academic institutions throughout the world JBTS is concerned with presenting high level original scholarship in an approachable way Academic journals are often written by scholars for other scholars They are technical in nature assuming a robust knowledge of the field There are fewer journals that seek to introduce biblical and theological scholarship that is also accessible to students JBTS seeks to provide high level scholarship and research to both scholars and students which results in original scholarship that is readable and accessible As an inter denominational journal JBTS is broadly evangelical We accept contributions in all theological disciplines from any evangelical perspective In particular we encourage articles and book reviews within the fields of Old Testament New Testament Biblical Theology Church History Systematic Theology Practical Theology Philosophical Theology Philosophy and Ethics **Themelios, Volume 45, Issue 2** D. Kuruvilla, 2019-10-15 Abraham Kuruvilla's *A Vision for Preaching* offered an integrated biblical and theological vision for
preaching *A Manual for Preaching* addresses the practical and perennial issue of how to move from the biblical text to an
effective sermon The author a well respected teacher of preachers shows how to discern the text's theological meaning and
let that meaning shape the development of the sermon Clearly written and illustrated with Old Testament and New
Testament examples the book helps preachers negotiate larger swaths of Scripture and includes two annotated sermon
manuscripts from Kuruvilla *1 and 2 Timothy, Titus* Abraham Kuruvilla, 2021-04-12 *1 and 2 Timothy Titus* A Theological
Commentary for Preachers engages hermeneutics for preaching employing theological exegesis that enables the preacher to
utilize all the units of these epistles to craft effective sermons This commentary unpacks the crucial link between Scripture
and application the theology of each preaching text pericope The three letters collectively the Pastoral Epistles are divided
into eighteen pericopes and what the author is doing with what he is saying in each is explored The overall theological
trajectory of the Pastoral Epistles concerns the promotion of God's economy by the community of God's people The specific
theological thrust of individual preaching units is captured in this commentary making possible a sequential homiletical
movement through each pericope of the three epistles While the primary goal of the commentary is to take the preacher from
text to theology it also provides two sermon outlines for each of the eighteen preaching units of the Pastoral Epistles The
unique approach of this work results in a theology for preaching commentary that promises to be useful for anyone teaching
through 1 and 2 Timothy and Titus with an emphasis on application *Handbook of Contemporary Preaching, 2nd Edition*
Michael Duduit, 2024-07-15 The revised and updated 2nd edition of *Handbook of Contemporary Preaching* is a comprehensive
textbook on preaching and teaching the Bible Pastors will be better equipped after reading and learning from some of the
most notable scholars and pastors on the topic of preaching
