

A Walk in the Woods: Rediscovering America on the Appalachian Trail

copy link in description

The Appalachian Trail stretches from Georgia to Maine and covers some of the most breathtaking terrain in America - majestic mountains, silent forests, sparkling lakes. If you're going to take a hike, it's probably the place to go. And Bill Bryson is surely the most entertaining guide you'll find. He introduces us to the history and ecology of the trail and to some of the other hardy (or just foolhardy) folks he meets along the way - and a couple of bears. Already a classic, *A Walk in the Woods* will make you long for the great outdoors (or at least a comfortable chair to sit and read in).

A Walk In The Woods Rediscovering America On The Appalachian Trail

Robert Burgin

A Walk In The Woods Rediscovering America On The Appalachian Trail:

A Walk in the Woods Bill Bryson, 1999-05-04 A laugh out loud account of an outrageously rugged hike by the beloved comic author of *Lost Continent* and *Notes from a Small Island*

A Walk in the Woods Bill Bryson, 2012-05-15 God only knows what possessed Bill Bryson a reluctant adventurer if ever there was one to undertake a gruelling hike along the world's longest continuous footpath The Appalachian Trail The 2 000 plus mile trail winds through 14 states stretching along the east coast of the United States from Georgia to Maine It snakes through some of the wildest and most spectacular landscapes in North America as well as through some of its most poverty stricken and primitive backwoods areas With his offbeat sensibility his eye for the absurd and his laugh out loud sense of humour Bryson recounts his confrontations with nature at its most uncompromising over his five month journey An instant classic riotously funny *A Walk in the Woods* will add a whole new audience to the legions of Bill Bryson fans

A Walk in the Woods Bill Bryson, 1998 Traces the author's adventurous trek along the Appalachian Trail past its natural pleasures human eccentrics and offbeat comforts

A Walk in the Woods Bill Bryson, 2006-12-26 The Appalachian Trail trail stretches from Georgia to Maine and covers some of the most breathtaking terrain in America majestic mountains silent forests sparkling lakes If you're going to take a hike it's probably the place to go And Bill Bryson is surely the most entertaining guide you'll find He introduces us to the history and ecology of the trail and to some of the other hardy or just foolhardy folks he meets along the way and a couple of bears Already a classic *A Walk in the Woods* will make you long for the great outdoors or at least a comfortable chair to sit and read in

a walk in the woods bill bryson , [Summary of A Walk in the Woods](#) SellWave Audio, 2025-10-11 *A Walk in the Woods* by Bill Bryson is a humorous insightful and often poignant journey through one of the most iconic hiking trails in the United States the Appalachian Trail Stretching from Georgia to Maine this trail traverses some of the most awe inspiring landscapes in America from towering mountains to serene lakes through thick forests and rugged terrain Bryson with his signature wit and curiosity takes readers along for an adventure that is as much about self discovery as it is about nature He offers a blend of history ecology and personal anecdote reflecting on the trail's past and the people who have walked it both the brave and the foolish As Bryson sets out to conquer the 2 100 mile trail he's accompanied by his old friend Stephen Katz whose own unpreparedness for the hike provides both comic relief and moments of warmth Throughout the book Bryson paints a vivid picture of the natural beauty of the trail while also introducing us to the sometimes quirky characters he encounters Along the way he deals with physical exhaustion unexpected challenges and even a few encounters with wildlife most notably a couple of bears *A Walk in the Woods* isn't just a travel memoir it's a reflection on the wilderness human resilience and the sometimes comical difficulties of trying to reconnect with nature in a modern world Bryson's storytelling will make you long for the outdoors or at least appreciate a comfortable chair to sit back and read in

Quicklet on Bill Bryson's A Walk in the Woods: Rediscovering America on the Appalachian Trail Tiffanie Wen, 2012-02-16 ABOUT THE BOOK There was a time in my

life when I wanted to be Bill Bryson when I thought If this is what a writer does I want to be a writer He has an uncanny knack for unearthing the hilarity in the most mundane and shoving it in your face for meeting the most insufferable strange and fascinating people for doling out the perfect amount of bitter sarcasm and for otherwise educating readers in an incredibly entertaining way He s the guy you want at your dinner party who you d trust as your precious phone a friend I was in college the first time I stumbled upon the writer I wandered into a small bookshop one sunny afternoon to kill some time A Walk in the Woods was propped up in the travel writing section with a staff recommendation card that had one of my ALL TIME faves scrawled on it in thick black Sharpie ink I half wondered how a book with what I considered to be an unimpressive cover could be an ALL TIME fave so I flipped to a random page and started reading It s safe to say that within seconds I was smiling one of those broad dopey smiles and within minutes giggling stupidly to myself I m pretty sure that I actually started to work up a sweat as I stood there in the now deafeningly silent shop reading in my overly warm university hoody suppressing my would be shrieks I ve learned since then that Bryson should be read in the privacy of one s own home Where one can feel free to snort chuckle guffaw and otherwise revel in a cathartic case of the giggles I used to read passages of Bryson out loud to a roommate of mine and can recall one particular scene from Notes From a Small Island that left us both short of breath for minutes But it was with Bryson s 1998 bestseller that I had my first affair and which has become albeit very unoriginally one of my all time faves MEET THE AUTHOR Tiffanie Wen is a professional writer from the San Francisco Bay Area who s written for Newsweek Flux Hawaii Ode Magazine and more When she s not working she enjoys exploring new places around the world and spending time with her dogs Rocky and Benny EXCERPT FROM THE BOOK After living in the UK for over 20 years famed travel writer Bill Bryson relocated his family to Hanover New Hampshire and discovered that the Appalachian Trail ran through his small town He decided to hike the 2 100 mile long trail and acquired the company of his old friend Stephen Katz Without taking notes on the trail Bryson still managed to write the wildly popular travel book published in 1998 that held a seemingly permanent residence on New York Times Bestseller list A Walk in the Woods is quintessential Bryson hilarious at times and frightening at others he takes the layman out into the woods without ever asking him to ever leave his home In 2008 Robert Redford confirmed rumors that there are plans to develop A Walk in the Woods into a feature film starring Redford as Bryson Today the book is still one of the most popular pieces of work written about the Appalachian Trail Buy a copy to keep reading *The Appalachian Trail* Philip D'Anieri,2021 The conception and building of the Appalachian Trail is a story of the unforgettable characters who explored it defined it and captured national attention by hiking it D Anieri provides backstories for the dreamers and builders who helped bring the Trail to life over the past century A must read for anyone who wonders about our relationship with the great outdoors adapted from jacket [Appalachian Trail Hiker](#) Victoria Logue, Frank Logue,2013-05-15 The Appalachian Trail Hiker is a one stop guide to preparing for and hiking the A T Although primarily geared to prepare and sustain the intrepid thru hiker

the book is also a must have for anyone who wishes to experience the A T whether for an hour or for six months **Going Places** Robert Burgin, 2013-01-08 Successfully navigate the rich world of travel narratives and identify fiction and nonfiction read alike with this detailed and expertly constructed guide Just as savvy travelers make use of guidebooks to help navigate the hundreds of countries around the globe smart librarians need a guidebook that makes sense of the world of travel narratives Going Places A Reader s Guide to Travel Narratives meets that demand helping librarians assist patrons in finding the nonfiction books that most interest them It will also serve to help users better understand the genre and their own reading interests The book examines the subgenres of the travel narrative genre in its seven chapters categorizing and describing approximately 600 titles according to genres and broad reading interests and identifying hundreds of other fiction and nonfiction titles as read alike and related reads by shared key topics The author has also identified award winning titles and spotlighted further resources on travel lit making this work an ideal guide for readers advisors as well a book general readers will enjoy browsing

The Enigmatic Realm of **A Walk In The Woods Rediscovering America On The Appalachian Trail**: Unleashing the Language is Inner Magic

In a fast-paced digital era where connections and knowledge intertwine, the enigmatic realm of language reveals its inherent magic. Its capacity to stir emotions, ignite contemplation, and catalyze profound transformations is nothing lacking extraordinary. Within the captivating pages of **A Walk In The Woods Rediscovering America On The Appalachian Trail** a literary masterpiece penned by a renowned author, readers embark on a transformative journey, unlocking the secrets and untapped potential embedded within each word. In this evaluation, we shall explore the book's core themes, assess its distinct writing style, and delve into its lasting impact on the hearts and minds of people who partake in its reading experience.
