A Thicker Jesus Incarnational Discipleship In A Secular Age:

A Thicker Jesus Glen Harold Stassen, 2012-01-01 A groundbreaking argument for recovering Jesus for Christian ethics

A Thicker Jesus Glen Harold Stassen, 2012-10-25 Why have some Christians such as Dietrich Bonhoeffer and Martin Luther King Jr been able to speak truth to power at great personal cost while others readily capitulate to injustice In this magnum opus Christian ethicist Glen Stassen argues that such robust Christianity stems from believing in a thicker Jesus who is Lord over the whole of life and not just one compartment of it Belief in this thicker Jesus results in incarnational discipleship and can help Christians deal with the challenges of what Charles Taylor has identified as a secular age Stassen elegantly weaves the characteristics of incarnational discipleship as correctives to secularism

The Church in a Secular Age Silje Kvamme Bjørndal, 2018-09-20 How can the church navigate the challenges of our secular age In *The Church in a Secular Age* Norwegian and Pentecostal scholar Silje Kvamme Bjørndal takes on three dynamic thinkers each in their own way in search for insights to this question Philosopher Charles Taylor offers the backdrop for the conversation as Bjørndal carefully sifts out some of his most central tenets for understanding our secular age Bjørndal then turns to the theologian and ethicist Stanley Hauerwas and critically engages his notion of the church as a community set apart from our secular age By bringing several of Hauerwas's interlocutors into the conversation Bjørndal manages to bring out both the acute relevance and the shortcomings of his ecclesiology Thus she finds that another turn is needed in order to offer a concrete as well as creative contribution to this ecclesiological conversation Considering the undeveloped pneumatological undercurrent in Hauerwas's work it proves fruitful to engage the leading Pentecostal scholar Amos Yong and his foundational pneumatology This engagement results in a shift of agency from the community to the Spirit And keeping up the dialogue with Taylor's secular age Bjørndal demonstrates how the Spirit's agency is crucial for the church as it attempts to navigate the particular challenges and opportunities of a secular age

Dietrich Bonhoeffer's Ethics of Formation Ryan Huber, 2020-05-19 Dietrich Bonhoeffer is many things to many people committed pacifist reluctant revolutionary Protestant saint but in Dietrich Bonhoeffer's *Ethics of Formation* Ryan Huber argues that Bonhoeffer should be engaged as a Christian ethicist of formation Huber demonstrates that formation lies at the heart of Bonhoeffer's ethical project and personal story providing a third way between virtue and character ethics in contemporary Christian thought concerned with moral growth

Living as the Living Jesus Kenneth W. M. Wozniak, 2021-02-02 One objective all Christians hold in common is to grow in maturity and faithfulness Achieving that goal however is a constant and difficult challenge Ethicist Kenneth W M Wozniak shows how the author of the epistle to the Hebrews argued that the mature Christian life is a disciplined one lived consistently in the moral realm of human experience Although the authority for such living traditionally has been the picture of Jesus as found in the Gospels that picture is only a partial and incomplete one It does not include Hebrews' essential depiction of the current living Jesus both exalted Son and High Priest who is the focus of worship and whom Christians claim to follow Wozniak argues that only

the often ignored Jesus of Hebrews when coupled with the Jesus pictured in the Gospels is the complete Jesus Christians must obey emulate and implant within themselves if they are to live as mature followers of Jesus it is to this Jesus that they must respond if they are to live faithfully as those who claim Jesus is Lord **Standing under the Cross** Michael Mawson, 2023-09-07 Standing Under the Cross focuses on Bonhoeffer's rich theological and ethical thinking It places Bonhoeffer in conversation with a wide range of modern theologians including Karl Barth Franz Rosenzweig Jürgen Moltmann and James Cone The book gives particular attention to hermeneutics the body and Bonhoeffer's rich reflections on community and discipleship Mawson attends to the complex ways in which these aspects of Bonhoeffer's thinking work together and shows how they can assist us in responding to some of the challenges confronting us today **Justice and the Way of Jesus** Gushee, David P. ,Williams, Reggie L., 2020-06-18 Eighteen Christian theologians and ethicists offer a rich engagement with the theological ethics of Glen Stassen 1936 2014 **The Polity of Christ** Ulrik Nissen, 2020-04-16 Ulrik Nissen addresses the difficulty that contemporary theology faces in trying to find a way to maintain both all the shared goods we cherish as political beings and the call for Christians to be a particular people in the world and bear witness to Christ Nissen stresses that Dietrich Bonhoeffer's Christological ethics allows for a polemical unity between the reality of the world and the reality of God reconciled in the reality of Christ Based on a series of case studies that provide a point of departure for a robust reshaping of Christian humanism and responsibility Nissen reads Bonhoeffer's ethics in the light of both his Lutheran heritage and contemporary challenges highlighting the importance of his thought for political theology By demonstrating the significant influence of Lutheran and Chalcedonian Christology in contemporary ethics Nissen provides a robust argument for a love of the common reality we share as human beings and a call for Christians to bear witness to Christ in the public world Convictions, Conflict, and Moral Reasoning David J. McMillan, 2021-12-14 The primary focus of this volume is to bring to the fore the contribution of McClendon and Smith's work on convictions and the application of that work in helping understand the processes of moral reasoning in the context of conflict Both were indebted to Zuurdeeg and their concept was incorporated in models of moral reasoning by Baptist scholars Glen Stassen and Parush Parushev The usefulness of the concept is critically evaluated The volume concludes with a case study on the conflict in Northern Ireland including the role of religion and the key issues raised in the referendum on the Belfast Agreement in 1998 It includes an examination of the contribution of four Christian groups in Northern Ireland who publicly engaged in this six week period of intense and passionate debate on the Agreement and the difficult issues it addressed as the focus for examining and testing the application of the model of moral reasoning On the basis of the case study is demonstrated that the concept of convictions can prove to be a helpful means of getting to the heart of what drives moral reasoning in contexts of conflict The purpose of this book is to issue a call to engage with critique and consider the importance and application of a much undervalued methodological approach to discerning the convictions that are the primary influencers of thought and action
