Mortal Musings: Waiting for Dawn John Wait, 2020-05-23 For many of us cancer is an inescapable reality It is estimated that one in two people will be affected by the disease during their life *Mortal Musings: Waiting for Dawn* is a moving thought provoking and intensely personal account of one man's journey In October 2016 my indigestion turned out to be cancer A few days later the news got worse when it was discovered my cancer was not only rare and incurable but it was Stage IV and I likely had only a few months to live A death sentence like that naturally makes you think about your own mortality and what lies beyond But I was not about to give in to the inevitable I refused to believe in a no win scenario People say it is always darkest before the dawn so I set about waiting for the sunrise Being impatient I did everything I could to hurry it along *Mortal Musings* is about my fight physically mentally and spiritually It is about hope faith and denial how the cancer impacted my life and the lives of those around me my treatments and the emotional struggle I endured But it also delves into speculation about what lies ahead beyond this mortal coil That I am still here three years later is a miracle That I am now cancer free is even more amazing As Jimmy Valvano said don't give up don't ever give up And I didn't A must read for anyone affected by this life changing disease Bethan White *Fade* A powerful testimony of how all of us must accept our own mortality Richard Denham *Arthur Shadow of a God*
