Awakening the Performing Body Jade Rosina McCutcheon, 2008-01-01 Preliminary Material Introduction Setting the Stage Body Energy Centres BECs Using BECs to Create Your Character The Technique of Shamanic Journeying Playing the Exchange The Actor Audience Dynamic Feedback on the BECs Bibliography Index Theatre, Opera and Consciousness. Daniel Meyer-Dinkgräfe, 2013 The study of consciousness has developed considerably over the past ten years with an emphasis on seeking to explain subjective experience Our understanding of key questions relating to the performing arts in theory and practice benefits from the insights of consciousness studies Theatre Opera and Consciousness discusses selected concerns of theatre history from a consciousness studies perspective develops a new perspective on ethical implications of theatre practice reassesses the concept of the guru and offers a new approach to the actor's cool down The book expands the framework from theatre to opera and presents a new consideration of the spiritual aspects of singing in opera conducting for opera and the opera experience for singers and spectators alike **Embodied Consciousness** J. McCutcheon, B. Sellers-Young, 2013-07-01 This volume of essays combines research from neuroscience conscious studies methods of training performers modes of creating a staged narrative Asian aesthetics and post modern theories of performance in an examination of the relationship between consciousness and performance Performing Consciousness Per Brask, Daniel Meyer-Dinkgräfe, 2010-02-19 Since its inaugural issue in April 2000 the journal Consciousness Literature and the Arts has regularly published essays on the intersection of theatre and consciousness Often these essays have seen theatre as a spiritual practice that for both the performer and her audience can bring about experiences that help heal the world a shift in consciousness This practice though spiritual is not ethereal but is rooted in doing in actions in breathing That is theatre is seen as an art form understood as part of a whole as taking place in total Consciousness as well as expressing consciousness es making both breathing a source of meaning and shamanic journeying part of the creative process that brings into being imaginative resources for the actor that undermines traditional understandings of character self ego All the pieces collected here then reveal a concern with consciousness and the theatre the ways that performance can be a spiritual practice a means a reaching higher levels of consciousness as well as the ways the theatre may have healing effects on audiences by engaging them in wider and deeper levels of imagination the levels where dualities disappear *The Black Female Body in American Literature and Art* Caroline Brown, 2013-02-28 This book examines how African American writers and visual artists interweave icon and inscription in order to re present the black female body traditionally rendered alien and inarticulate within Western discursive and visual systems Brown considers how the writings of Toni Morrison Gayl Jones Paule Marshall Edwidge Danticat Jamaica Kincaid Andrea Lee Gloria Naylor and Martha Southgate are bound to such contemporary postmodern visual artists as Lorna Simpson Carrie Mae Weems Kara Walker Betye Saar and Faith Ringgold While the artists and authors rely on radically different media photos collage video and assembled objects as opposed to words and rhythm

both sets of intellectual activists insist on the primacy of the black aesthetic Both assert artistic agency and cultural continuity in the face of the oppression social transformation and cultural multiplicity of the late twentieth and early twenty first centuries This book examines how African American performative practices mediate the tension between the ostensibly de racialized body politic and the hyper racialized black female body reimagining the cultural and political ground that guides various articulations of American national belonging Brown shows how and why black women writers and artists matter as agents of change how and why the form and content of their works must be recognized and reconsidered in the increasingly frenzied arena of cultural production and political debate
