Ayahuasca For Beginners Naomi Harper, 2021-05-20 What is Ayahuasca What could be the origin How does one prepare What is it used for How does one administer Ayahuasca traditionally Does it have any effects on our body What is the science behind Ayahuasca Does it have any controversy Ayahuasca can be described as a brew that is made from mixing some ingredients with banisteriopsis The main reason this brew is prepared is that it will be used for cleansing in the traditional ceremonies It is used as a sacrament because there is a sacred and spiritual connection to it In the modern days it is used to heal those with mental illness and those who are physically sick For those who have tried using it some have registered positive results yet for others they were affected negatively by the brew For those who are using it they should do it with caution because of the side effects that ayahuasca can have on the body Ayahuasca can be prepared by boiling the banisteriopsis with leaves of Psychotria Viridis diplopterys cabrerana and many other leaves The taste will vary because of the different leaves used The quality of the brew will depend on the kind of ingredients used plus if the right procedure was followed The process can take up to seven hours or even longer The reason why the brewing process will take longer is that the mixture of the vine and the leaves are left to boil til half the pot From there the brew will be ready for consumption The main goal of this book is to understand what Ayahuasca is the history behind the existence of this brew and the reasons why we have it In this book you ll learn What is Ayahuasca The Origin of Ayahuasca History of Ayahuasca and how it became known in the West How to make and prepare Ayahuasca What Ayahuasca is used for How Ayahuasca is traditionally administered Different uses of Ayahuasca and why one would choose a certain use The science behind Ayahuasca Effects of Ayahuasca in the body Controversy around Ayahuasca And so much more This book is a one stop shop for anything the potential journeyer might need to know about this amazing and transformative sacrament It has been used in the jungle for countless generations and only in modern times have Westerners been able to access this life changing experience With this book as your guide you ll have everything you need to know to begin planning your own experience Grab your copy of Ayahuasca For Beginners now
