On My Post Reggie Legend,2024-11-29 This book series centers around my personal stories and reflections captured in no particular order Though I initially avoided platforms such as Facebook and Twitter preferring smaller websites and blogs that either I my friends or other colorful collaborators created my connection with social media was inevitable Upon publishing my first book Steel Waters DUPLicate AuthentICITY VOLUME I as a collection of poems I immediately knew I d need a larger platform to show the world my content What began as a business quickly became personal as I released little quips along with long rants about the inner workings of my family faith and functioning as a black man in America What I ve amassed over the years has been gathered together as recollections of a rebel who initially balked at the idea of social media altogether but has since utilized it to challenge social norms shift paradigms and advance the Kingdom of God through the power of written words Some of the topics broached in this book include the following fatherhood from a Christian black man s perspective as son who s transitioned to being a father introspective reflections coined as Mourning Mirror Talks how faith influences my every day walk and life politics and the foolishness thereof music and culture specifically from a Hip Hop perspective I don t just do this for myself though My voice in many instances is your voice My concerns are your concerns So allow my strength words and an ever present heavenly Father God to be your strength
