Andrews, 2014-09-21 Some Bible writers e g Apostle Paul revealed to their readers that there is an ongoing conflict between the Christian with one side being the fallen sinful flesh In this revelation the Bible writers use such expressions as the inner man our inner man and comparable expressions At Romans 2 14 15 Paul speaks of us saying The law is written on their hearts Because man and woman were made in the image and likeness of God they were given a moral nature that was in harmony with God This moral nature produces a mental power or ability such as reason and conscience Even though we are imperfect we retain a measure of this moral nature that is in harmony with God s moral standards This moral nature operates in the inner man as a law a moral law However because of our fallen condition there is also the law of sin which is in our members This law in our members of our body wages a war against the law of our mind and can make us a prisoner of the law of sin Romans 6 12 7 22 23 Nevertheless not all is lost because Paul also tells us that we can be renewed in the spirit of our minds Eph 4 23 We can put off the old person with its practices and have put on the new person We will then be renewed in knowledge according to the image of our Creator We will be transformed by the renewing of our mind so that we may discern what is the good pleasing and perfect will of God Colossians 3 9 10 Romans 12 2 We are baptized into Christ Jesus we are baptized into his death Our old self is crucified with him in order that the body of sin might be brought to nothing so that we would no longer be enslaved to sin Nevertheless while we are in an imperfect condition the law of God is in our inner being but in our members is another law waging war against the law of my mind and making us captive to the law of sin that dwells in our members While we serve the law of God with our mind with our flesh we serve the law of sin Rom 6 3 7 7 21 25 The premise of this book is quite simple how do we take off the old person and put on new person In addition what must we do to keep on sustaining that new person
