Nelson Pediatrics Board Review E-Book Terry Dean Jr., Louis M. Bell, 2025-11-21. Prepare for success on the boards with Nelson's Pediatric Board Review Certification and Recertification, Second Edition. This highly practical review tool follows the American Board of Pediatrics (ABP) general pediatrics content outline and focuses on the topics you will most likely see on the exam. Must-know information is presented in a manner that's easy to study and remember and is backed by the renowned Nelson family of references that you trust for current authoritative information in your field. Provides residents and physicians with an efficient, comprehensive system for studying need-to-know content designed specifically to help you perform at your best on the board exam. Presents information in a bulleted, high-yield format with topics matching ABP content guidelines and reflects new guidelines, studies, and developments that are pertinent to the board exam. Offers a real-world balance of necessary fundamental information and cutting-edge advances, all carefully written and reviewed by editors and contributors from world-renowned pediatric institutions. Features 1,000 interactive, mobile-optimized board-style questions with full explanatory answers to support self-evaluation and understanding of material. Includes reader-friendly features that promote testing success: tables that highlight key differences between diagnoses, genetic disorders grouped by key features in phenotypic presentation rather than in alphabetical order, suggested readings instead of references, high-yield visual elements throughout, and more. All designed to help you recall key information when taking exams. An eBook version is included with purchase. The eBook allows you to access all of the text, figures, and references with the ability to search, customize your content, make notes and highlights, and have content read aloud. Additional digital ancillary content may be published up to 6 weeks following the publication date.
