Atom-Smashing Power of Your Mind Charles Fillmore, 2019-12-18 A great many passages in this book testify to Charles Fillmore's persistent interest in what is popularly called atomic energy and the promise held out by its development of a better world for mankind From another standpoint Charles Fillmore's mind was simply fascinated by the idea of the atom this infinitesimal particle of substance and the enormous energy locked up in it At times he thought of it as the most perfect representation in the manifest world of that divine mental or spiritual energy which pervades all things and which when properly expressed through the minds of His children serves so greatly to glorify God At other times he thought of it as the very essence of this mental or spiritual energy Spirit mind itself The reader will find each one of these standpoints set forth over and over perhaps vaguely and mystically at times but ever testifying to the alertness and vitality of Charles Fillmore's mind and his unflagging interest in everything in his world Contents The Atomic Age The Restorative Power of the Spirit Spiritual Obedience I AM or Superconsciousness The Day of Judgment Thou Shalt Decree a Thing Thinking in the Fourth Dimension Is This God's World Demonstrating Christ Thought by Thought Truth Radiates Light The Only Mind Contact with the Christ Mind Metaphysics of Shakespeare The Body Faith Precipitations The Seed Is the Word The Resurrecting Power of the Word Transfiguration The End of the Age *Atom-Smashing Power of Mind* Charles Fillmore, 2012-10-07 Mind is the storehouse of ideas Man draws all his ideas from this omnipresent storehouse Every man who accomplishes things sees first in his mind what he wishes to do He puts away all doubt It makes no difference how small or how large the thing you want to do may be if you have an unlimited confidence in your ability to do it you will do it Scientists have invented a machine that records the forces of thought Every thought expressed by the mind radiates an energy as it passes through the brain cells and this machine measures the force of these radiations When we awake to the fact that every breath we draw is releasing this all potent electronic energy and it is shaping our lives for good or ill according to our faith then we shall begin to search for the law that will guide us aright in the use of power Let's discover the secrets to use our mind to attract abundance into our life
