Breaking Free Discover The Victory Of Total Surrender:

Breaking Free Beth Moore,2000 The author discovers that God intends for his children not to live under the oppression of the enemy but to find the victory that comes not from effort or determination but from surrendering completely to the Spirit of God

Breaking Free Beth Moore,2007-04 Beth Moore embarks on a study of selected passages from the book of Isaiah drawing several parallels between the captive Israelites and today's Christians in order to show how to make freedom in Christ a daily reality from publisher description

Breaking Free Beth Moore,2000 *Truly Free* Robert

Morris,2015-05-12 In Truly Free best selling author Robert Morris invites us into a glorious truth that the promise of being set free from the slavery of sin is a promise to be set free completely Jesus said All authority in heaven and on earth has been given to me Matthew 28:18 As believers we have Christ and never need to be afraid Yet it's also true that we are not immune to the effects of evil Christ has conquered sin and death but in his infinite wisdom for reasons that are often difficult for us to understand evil is still permitted to exist Even if we're saved and trust in Christ we may still find areas in which we just can't get victory Maybe it's a sin we've confessed again and again or a constant struggle with depression anger or lust These long imbedded patterns of shameful living continue to entangle us day after day month after month and even year after year

Although evil is real and Christians can be oppressed by it we have the promise that the one who is in us is greater than the one who is in the world 1 John 4:4 Jesus saves us trains us to resist the power of evil and delivers us from anything that holds us back With Jesus we can be truly free forever

Blood Cries Out A. J. Swoboda,2014-11-11 John McConnell Jr was the famed founder and visionary of Earth Day McConnell's vision was one of creating a day of remembrance solitude and action to restore the broken human relationship to the land Little acknowledged are McConnell's religious convictions or background McConnell grew up in a Pentecostal home In fact McConnell's parents were both founding charter members of the Assemblies of God in 1914 His own grandfather had an even greater connection

to the origins of Pentecostalism by being a personal participant at the Azusa Street Revival in Los Angeles in 1906 Earth Day thus began with strong religious convictions McConnell seeing the ecological demise through his religious background envisioned a day where Christians could show the power of prayer the validity of their charity and their practical concern for Earth's life and people In the spirit of McConnell today's Pentecostal and Charismatic theology has something to say about the earth Blood Cries Out is a unique contribution by Pentecostal and Charismatic theologians and practitioners to the global conversation concerning ecological degradation climate change and ecological justice **From Blah to Awe** Bishop J. Lucado, 2012 Everyone especially teenagers struggles with being bored with God from time to time Sometimes church services and Bible reading don't seem that exciting and it's easy to get busy and not make time to pray but when this happens we are missing out Bishop shares her testimony and others' stories to see what a radical living relationship with God looks like There's Beauty in Your Brokenness Brittany Maher, Cassandra Speer, 2023-07-11 Do you feel that you're not enough Do you struggle to see your inherent worth just as you are In this beautiful full color devotional the creators of popular online community Her True Worth offer encouragement through Scripture story and art to anchor your identity in Christ and to find rest in His presence No matter how much we strive or work it can still seem like it's never enough But that's okay Our enough ultimately has nothing to do with our actions Our identity is found in God and Brittany Maher and Cassandra Speer don't toss that phrase around lightly As these 90 devotions reveal realizing your inestimable value in God alone is a life altering soul anchoring truth that will change everything about your life how you feel about yourself how you spend your time and how you treat others As you walk through the pages of this beautiful devotional Brittany and Cassandra will kindly guide you back to what God intended for your life showing you through Scripture meditations and reflective questions how sin corrupted God's plan how Christ redeemed it and how we can live securely in that redemption today Each entry speaks the truth that you are Safe seen and loved Already enough because of your value in Christ Part of a community of women who understand your longing for soul renewal Whole and complete in Christ even when you feel fragile or overwhelmed In a world filled with countless counterfeit identities it's easy to get caught up chasing the wrong things These devotions feel like sitting down to coffee with a close friend and sharing both the hard and good of what it means to be a woman following Christ learning together how to grow and rest in the peace and security Jesus offers These vulnerable invitations for reflection will help you confidently live out your true worth secure in His promises for you
