Breviarium ad usum insignis Ecclesie Eboracensis Catholic Church,1880 *Breviarium ad usum insignis Ecclesie Eboracensis* Church of England. Diocese of York,1880 Breviarium ad usum insignis Ecclesie eboracensis Catholic church. Liturgy and ritual. Breviary,1880 *Breviarium ad usum insignis ecclesie Eboracensis* ,1880 **Making Magic in Elizabethan England** Frank Klaassen,2019-07-26 This volume presents editions of two fascinating anonymous and untitled manuscripts of magic produced in Elizabethan England the Antiphoner Notebook and the Boxgrove Manual Frank Klaassen uses these texts which he argues are representative of the overwhelming majority of magical practitioners to explain how magic changed during this period and why these developments were crucial to the formation of modern magic The Boxgrove Manual is a work of learned ritual magic that synthesizes material from Henry Cornelius Agrippa the Fourth Book of Occult Philosophy Heptameron and various medieval conjuring works The Antiphoner Notebook concerns the common magic of treasure hunting healing and protection blending medieval conjuring and charm literature with materials drawn from Reginald Scot s famous anti magic work Discoverie of Witchcraft Klaassen painstakingly traces how the scribes who created these two manuscripts adapted and transformed their original sources In so doing he demonstrates the varied and subtle ways in which the Renaissance the Reformation new currents in science the birth of printing and vernacularization changed the practice of magic Illuminating the processes by which two sixteenth century English scribes went about making a book of magic this volume provides insight into the wider intellectual culture surrounding the practice of magic in the early modern period *Chaucer and Langland* George Kane,2023-04-28 Delve into the rich interplay of history language and literary artistry with this compelling collection of essays by George Kane Focusing on two of the Middle Ages greatest poets Geoffrey Chaucer and William Langland Kane offers a nuanced exploration of their works examining their historical contexts and textual intricacies Each essay reflects decades of scholarly dedication bringing forward the contrasts and connections between Chaucer s sophisticated humor and Langland s earnest spiritual vision With a focus on intellectual rigor and historical accuracy this collection sheds light on the enduring significance of these poets in the canon of English literature Kane s insightful prose is steeped in the tradition of careful criticism making Chaucer and Langland both a tribute to the authors and an inspiring guide for readers and scholars alike Rejecting fleeting critical trends Kane upholds the timeless values of intellectual honesty and fine sensibility ensuring that his analyses resonate beyond the classroom This work is essential for those passionate about medieval studies offering an elite perspective on the texts that shaped English literary heritage This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1989 **Proceedings of the Leeds Philosophical and Literary Society, Literary**
