BlackBerry For Dummies Robert Kao, Dante Sarigumba, 2010-05-27 Get the most juice out of your BlackBerry handheld. Feature-rich and complex, the BlackBerry is the number one smartphone in the corporate world. It is among the most popular handhelds for business users. This new and updated edition includes all the latest and greatest information on new and current BlackBerry mobile devices. Covering a range of valuable how-to topics, this helpful guide explores the BlackBerry's most useful features, techniques for getting the most out of your BlackBerry, and practical information about power usage. Covers all aspects of the number one smartphone in the corporate world: the BlackBerry. Reviews managing appointments, creating a To Do list, getting online using e-mail, and taking photos. Shares navigation tips and shortcuts, as well as essential applications for the BlackBerry. Addresses power usage and consumption. Advises on how to take advantage of the expandable memory. In addition, BlackBerry For Dummies 4th Edition explains business tools, games, and great sites that deliver what you need for your BlackBerry when you need it.

BlackBerry All-in-One For Dummies Dante Sarigumba, Robert Kao, William Petz, Timothy Calabro, 2010-09-16 Go beyond BlackBerry basics and get everything your BlackBerry can deliver. BlackBerry is the leading smartphone for business users, and its popularity continues to explode. When you discover the amazing array of BlackBerry possibilities in this fun and friendly guide, you'll be even happier with your choice of smartphones. BlackBerry All-in-One For Dummies explores every feature and application common to all BlackBerry devices. It explains the topics in depth with tips, tricks, workarounds, and includes detailed information about cool new third-party applications, accessories, and downloads that can't be missed. With several models available, the BlackBerry is the most popular smartphone for business users, and that market continues to grow. This guide covers the basics common to all models and explores individual features in depth. Examines social networking applications, navigation, organizing contacts, and the calendar and synchronization issues. Delves into multimedia, including e-mail, photos, and the media player. Explores GPS, the internet, and connectivity. Great downloads, how to maximize third-party applications, and application development. Uses graphs, tables, and images to fully explain the features of each model. Author team is directly involved with BlackBerry application development. BlackBerry All-in-One For Dummies helps you take full advantage of everything your BlackBerry device can do for you.
