Blithe Spirit Modern Plays:

Blithe Spirit Noël Coward, 2013-12-04 I will ever be grateful for the almost psychic gift that enabled me to write *Blithe Spirit* in five days during one of the darkest years of the war Written in 1941 *Blithe Spirit* remained the longest running comedy in British Theatre for three decades thereafter Plotted around the central role of one of Coward's best loved characters a spirit medium Madame Arcati originally performed by Margaret Rutherford Coward's play is an escapist comedy about a man whose two previous wives return to haunt him A minor comic masterpiece of the lighter sort Professor Allardyce Nicoll

Pinter's Comic Play Elin Diamond, 1985 Examines the basis of Harold Pinter's tense comedy and how it functions in his plays as well as covering the major drama from *The Room* to *Other Places* Diamond argues that the metaphysical fear and emptiness so characteristic of the Pinter situation are inseparable from his use and abuse of literary and popular comic traditions

Subversive Spirits Robin Roberts, 2018-01-17 The supernatural has become extraordinarily popular in literature television and film Vampires zombies werewolves witches and wizard have become staples of entertainment industries and many of these figures have received extensive critical attention But one figure has remained in the shadows the female ghost Inherently liminal often literally invisible the female ghost has nevertheless appeared in all genres *Subversive Spirits The Female Ghost in British and American Popular Culture* brings this figure into the light exploring her cultural significance in a variety of media from 1926 to 2014 Robin Roberts argues that the female ghost is well worth studying for what she can tell us about feminine subjectivity in cultural contexts *Subversive Spirits* examines appearances of the female ghost in heritage sites theater Hollywood film literature and television in the United States and the United Kingdom What holds these disparate female ghosts together is their uncanny ability to disrupt illuminate and challenge gendered assumptions As with other supernatural figures the female ghost changes over time especially responding to changes in gender roles Roberts's analysis begins with comedic female ghosts in literature and film

and moves into horror by examining the successful play *The Woman in Black* and the legend of the weeping woman *La Llorona* Roberts then situates the canonical works of Maxine Hong Kingston and Toni Morrison in the tradition of the female ghost to explore how the ghost is used to portray the struggle and pain of women of color Roberts further analyzes heritage sites that use the female ghost as the friendly and inviting narrator for tourists The book concludes with a comparison of the British and American versions of the television hit *Being Human* where the female ghost expands her influence to become a mother and savior to all humanity
