

Why Breaking Up With A Narcissist Is Extra Painful...

01

Your Investment And Sacrifice

- During a narcissist relationship, you make huge sacrifices. And many people feel an extra sense of loss, because of the time they wasted on the narcissist.

02

Blame Shifting

- Narcissists are masters at making things they do seem like your fault. So their partners often feel responsible for the end of the relationship.

03

Narcissists Move On FAST

- To rub salt in the wound, many narcissists move on incredibly fast. And may almost instantly be in a new relationship.

04

Trauma Bond

- Some people get addicted to the hormones released during the volatile highs and lows of narcissist relationships. Which makes it difficult to move on.

05

No Closure

- When a narcissist relationship ends, it never feels over. Because the narcissist usually leaves the door ajar, in case they need you in the future.
