M. Telling, 2014-06-29 If there is anything that irritates me more than a married man cheating on his wife I don't know what it is Many things irritated Gail men cheating on their wives were just one of them Online chatrooms were full of men seeking to meet with her in secret Chatting online filled a need within her Mostly she played along with their silly games The chat room was just a place to hang out and pass time while dinner was cooking One day she made a new helpful friend online Clementine and Gail were so much alike they could have been sisters However do you ever really know who is typing those messages on the other end
