

The Home Screen

The Home screen gives you easy access to the books and periodicals you have recently read or purchased.

In the top portion of the screen, you'll see the cover of the most recent books or periodicals you've been reading. The Reading Now panel has room for three titles.

Here's an example of a Home screen:

The Reading Now Panel

The Reading Now panel shows the cover of the book or periodical you were most recently reading. If you have not read a book or periodical yet, the Reading Now panel shows the cover of the *NOOK User Guide* or *NOOK Quick Guide*. These two guides are automatically included in your Library.

To open the book or periodical shown in the Reading Now panel, tap on its cover.

The NEW ON NOOK Shelf

At the bottom of the screen, you'll see a shelf with book recommendations for you. The recommendations come from the B&N Top 100 list or, if you have linked your NOOK to your Contact, Facebook, or Google email accounts, the recommendations come from your friends.

To visit a screen in the NOOK Store showing all the books in a recommended list, such as the B&N Top 100, tap the link *SEE ALL*.

To learn more about a particular book, tap the Overview button next to its cover. Your NOOK opens a detailed description of the book, including an overview, a list of reviews, a list of related titles, and a button for purchasing the book. The details page might also include a button for downloading a free sample of the book.
