Spirit of Resistance Jeroen Dewulf, 2010 The first book to offer a complete story of the extraordinary proliferation of Dutch clandestine literature under the Nazi occupation Clandestine literature was published in all countries under Nazi occupation but nowhere else did it flourish as it did in the Netherlands This raises important questions What was the content of this literature What were the risks of writing printing selling and buying it And why the Netherlands Traditionally the combative Dutch spirit of resistance has been cited a reaction not only to German oppression but to German propaganda while the Germans hoped to build bonds with their Germanic Dutch brothers clandestine literature insisted on their incompatibility However when reading clandestine literature one should not forget that this spirit of resistance came rather late and did not prevent the transportation of seventy three percent of the Netherlands Jewish population to Nazi death camps the largest percentage in Western Europe The Dutch case is complex while the country proved to be remarkably resistant to Nazi propaganda little was done to prevent the actual execution of Nazi policies The complete story of Dutch clandestine literature therefore combines resistance and complicity victory and defeat pride and shame Jeroen Dewulf is Queen Beatrix Professor of Dutch Studies in the Department of German at the University of California Berkeley

Fate Unknown Dan Stone, 2023-06-06 Dan Stone tells the story of the last great unknown archive of Nazism the International Tracing Service Set up by the Allies at the end of World War II the ITS has worked until today to find missing persons and to aid survivors with restitution claims or to reunite them with loved ones From retracing the steps of the death marches with the aim of discovering the burial sites of those murdered across the towns and villages of Central Europe to knocking on doors of German foster homes to find the children of forced labourers Fate Unknown uncovers the history of this remarkable archive and its more than 30 million documents Under the leadership of the International Committee of the Red Cross the tracing service became one of the most secretive of postwar institutions unknown even to historians of the period Delving deeply into the archival material Stone examines the little known sub camps and after the war survivors experience of displaced persons camps bringing to life remarkable stories of tracing Fate Unknown combs the archives to reveal the real horror of the Holocaust by following survivors horrific journeys through the Nazi camp system and its aftermath The postwar period was an age of shortage of resources bitterness and revenge Yet the ITS tells a different story of international collaboration of commitment to justice and of helping survivors and their relatives in the context of Cold War suspicion These stories speak to a remarkable attempt by the ITS before the Holocaust was a matter of worldwide interest to carry out a programme of ethical repair and to counteract some of the worst effects of the Nazis crimes

But I Live Charlotte Schallié, 2022-04-27 An intimate co creation of three graphic novelists and four

Holocaust survivors But I Live consists of three illustrated stories based on the experiences of each survivor during and after the Holocaust David Schaffer and his family survived in Romania due to their refusal to obey Nazi collaborators In the Netherlands brothers Nico and Rolf Kamp were separated from their parents and hidden by the Dutch resistance in thirteen different places Through the story of Emmie Arbel a child survivor of the Ravensbrück and Bergen Belsen concentration camps we see the lifelong trauma inflicted by the Holocaust To complement these hauntingly beautiful and unforgettable visual stories But I Live includes historical essays an illustrated postscript from the artists and personal words from each of the survivors As we urgently approach the post witness era without living survivors of the Holocaust these illustrated stories act as a physical embodiment of memory and help to create a new archive for future readers By turning these testimonies into graphic novels But I Live aims to teach new generations about racism antisemitism human rights and social justice
