Children's Bibles in America Russell W. Dalton, 2015-11-19 Children's Bibles have been among the most popular and influential types of religious publications in the United States providing many Americans with their first formative experiences of the Bible and its stories In *Children's Bibles in America* Russell W Dalton explores the variety of ways in which children's Bibles have adapted illustrated and retold Bible stories for children throughout U S history This reception history of the story of Noah as it appears in children's Bibles provides striking examples of the multivalence and malleability of biblical texts and offers intriguing snapshots of American culture and American religion in their most basic forms Dalton demonstrates the ways in which children's Bibles reflect and reveal America's diverse and changing beliefs about God childhood morality and what must be passed on to the next generation Dalton uses the popular story of Noah's ark as a case study exploring how it has been adapted and appropriated to serve in a variety of social agendas Throughout America's history the image of God in children's Bible adaptations of the story of Noah has ranged from that of a powerful angry God who might destroy children at any time to that of a friendly God who will always keep children safe At the same time Noah has been lifted up as a model of virtues ranging from hard work and humble obedience to patience and positive thinking Dalton explores these uses of the story of Noah and more as he

engages the fields of biblical studies the history of religion in America religious education childhood studies and children's literature

News, Gender and Power Stuart Allan, Gill Branston, Cynthia Carter, 2002-01-31 How do gender relations affect the practice of journalism Despite the star status accorded to some women reporters and the dramatic increase in the number of women working in journalism why do men continue to occupy most senior management positions And why do female readers viewers and listeners remain as elusive as ever News Gender and Power addresses the pressing questions of how gender shapes the forms practice institutions and audiences of journalism The contributors who include John Hartley Pat Holland Jenny Kitzinger and Myra Macdonald draw on feminist theory and gender sensitive critiques to explore media issues such as ownership and control employment and occupation status the representation of women in the media the sexualization of news and audience research Within this framework the contributors explore media coverage of the trial of O J Simpson British beef and the BSE scandal the horrific crimes of Fred and Rosemary West child sexual abuse and false memory syndrome the portrayal of women in TV documentaries such as Modern Times and Cutting Edge

Different Baby, Different Story Joann O'Leary, Lynnda Parker, Margaret M. Murphy, Jane Warland, 2020-12-15 Pregnancy after prenatal or infant loss can be a lonely and frightening time but through stories of both pain and healing the authors show how to navigate the exciting but choppy waters of a subsequent pregnancy The loss of a pregnancy or newborn infant changes the meaning of pregnancy birth and parenting forever Increased parental fear and anxiety and continuing grief for the deceased baby can impact subsequent pregnancies in unexpected ways Parents who are unsupported in pregnancy after loss are may be more at risk of experiencing anxiety depression Post Traumatic Stress Disorder and difficulty in attaching to a new baby Different Baby Different Story explores the range of emotions thoughts and physical experiences of parents who have gone on to subsequent pregnancies Including stories from mothers fathers other children and extended family members this poignant and moving work will help readers through their own feelings and give voice to those who may have felt unheard or unsupported in the past With practical advice on self advocacy the book helps expectant parents gain insights as to how others learned to work with health care professionals mental health professionals and their own families and friends and coworkers For expectant mothers their partners their families and their friends this work supports the range of experiences and encourages readers on a path to healing

Transformational Public Service Cheryl King, Lisa Zanetti, 2014-12-18 Everyone who aspires to more effective public service should read this book It provides a compelling antidote to the managerial focus of theory and practice in public administration Written with the aim of inspiring and rekindling a mission for public service Transformational Public Service weaves together theory and stories from actual practice to show that public service can and does advance the goals of democracy inclusiveness and social and economic justice Eight practitioners from government and non governmental organizations at all levels from the street to the executive office tell their personal stories of transformational public service Theory poetry and popular culture references are woven around the stories Both

students and practitioners will discover new ways of thinking in this book that will enable them to transform their own administrative practices As the authors note in their prologue As we listened to these stories we heard people say that public service can be and is transformational transforms institutions practices and people s lives and experiences in ways that serve democracy engagement and social and economic justice The public service they practice is collaborative humanistic emancipatory inclusive and diverse *Arts - Therapies - Communication* Line Kossolapow, Sarah Scoble, Diane Waller, 2001 Arts Therapies Communication is designed as two volumes with this being the first volume The book deals with art therapy studies from Great Britain and the non European countries The second volume offers topic related contributions from other European regions and countries Under the auspices of the European Consortium for Art Therapies Education ECArTE a European art therapy which is concerned with the development of a European oriented discipline with training and fostering of successors at universities is articulating itself The book is aimed at art therapists music therapists drama and dance therapists but also at psychotherapists and clinical psychologists teachers sociologists and doctors With regard to method and theory different directions and psychoanalytical approaches are represented and it also addresses a wide spectrum of clinical and non clinical contexts and illnesses In this way diverse interests in art therapy can be satisfied **Change Your Mind, Change Your Life** Gerald G.
