Beyond Macroeconomic Stability Structural Transformation And Inclusive Development Advances In Labour Studies:

Beyond Macroeconomic Stability Iyanatul Islam, 2014-02-25 This volume goes beyond a narrow conceptualization of macroeconomic stability and explores the link between socio economic policies structural transformation and inclusive development It rests on three thematic pillars the limits of conventional macroeconomics the long run agenda of structural transformation and the development of capabilities Towards Better Work A. Rossi, A. Luinstra, J. Pickles, 2014-02-12 Globalization of production has created opportunities and challenges for developing country producers and workers This volume provides solutions oriented approaches for promoting improved working conditions and labour rights in the apparel industry Creative Labour Regulation D. McCann, S. Lee, P. Belser, C. Fenwick, J. Howe, M. Luebker, 2014-02-12 The volume is at the forefront of the academic and policy debates on effective labour regulation offering innovative approaches to research and policy It is an interdisciplinary response to the central challenges that face modern labour regulation and draws on contributions by leading experts in a range of disciplines *The Labour Markets of Emerging Economies* Sandrine Cazes, Sher Verick, 2013-08-09 The past few decades have witnessed the economic and geopolitical rise of a number of large middle income countries around the world This volume focuses on the labour market situations trends and regulations in these emerging economies **Wage-Led Growth** Engelbert Stockhammer, 2013-12-03 This volume seeks to go beyond the microeconomic view of wages as a cost having negative consequences on a given firm to consider the positive macroeconomic dynamics associated with wages as a major component of aggregate demand **Labour Markets, Institutions and Inequality** Janine Berg, 2015-01-30 Labour market institutions including collective bargaining the regulation of employment contracts and social protection policies are instrumental for improving the well being of workers their families and society In many countries these instituti **Employment and Inclusive Development** Rizwanul Islam, Iyanatul Islam, 2015-02-11 Issues relating to employment and labour have once again come to the fore of global policy debates in the wake of the widespread unemployment that has accompanied the current financial crisis In the developing world there is a growing realization that productive employment promotion and social protection have to be at the core of inclusive growth and development This book supports the view that employment is a cross cutting issue shaped by macroeconomic and microeconomic policy interventions and provides a capacious framework to analyse the complexity of this global debate It covers a wide range of issues that have received insufficient attention in the discourse of development and labour economics These include the impact of macroeconomic policies on employment labour rights the development of human capabilities and employability youth employment the benefits and costs of labour market flexibility and the importance of social protection for all This important book aims at filling this gap by revisiting old debates and reconnecting them to the contemporary context combining analyses with relevant empirical evidence It will appeal to a diverse readership
