The Secrets We Left Behind Susan Elliot Wright, 2014-05-08 From the author of the acclaimed *The Flight of Cornelia Blackwood* It was a summer of love and a summer of secrets She has built a good life a husband who adores her a daughter she is fiercely proud of a home with warmth and love at its heart But things were not always so good and the truth is that she has done things she can never admit Then one evening a phone call comes out of the blue It is a voice from long ago from a past that she has tried so hard to hide Scott knows who she really is and what she has done Now he is dying and he gives her an ultimatum either she tells the truth or he will And so we are taken back to that long hot summer of 1976 to a house by the sea where her story begins and where the truth will be revealed Praise for *The Things We Never Said* Passionate intriguing and beautifully written *The Things We Never Said* deserves to stand on the shelf next to Maggie O Farrell s books A powerful and talented new voice Rachel Hore bestselling author of *The Love Child* If you love Maggie O Farrell you will love this Veronica Henry bestselling author of *The Long Weekend* A brave and moving story about how much can be lost and what happens next Alison Moore author of *Booker* shortlisted *The Lighthouse*

Behind the Cloak of Denial E. D. Lewis Poetry By Phantom Poet, 2025-01-27 When Elle wrote *Visions That Kill Her Silence* just a short while ago she realized her story was too long for one book therefore wrote a second book to complete this harrowing tale It is essential to read *Visions That Kill Her Silence* to fully comprehend this remaining narrative Elle s early trauma led to years of isolation that continued as she realized the truth All the while her daughter Megan battled using drugs after Violet her grandmother routinely gave Megan narcotics money and persistently tried to shut Elle up demonize her and deny any wrongdoing in front of anyone particularly her husband

Micah other than Elle Only if Elle and Violet were alone or with Megan would Violet admit her grave and dangerous mistakes There is no such thing as a safe narcotic for some people It is an oxymoron to suggest otherwise A chemical imbalance just may be present Elle her husband Lewis and son Michael Ghost navigated the direct effects of Megan s drug use the coverups manipulation and lies from Violet and Micah They not only suffered tremendous stress from their personal lives careers and school but were hindered from a more efficient and safe recovery for Megan because Violet and Micah were incredibly unsupportive and enabling Megan to continue her lifestyle by providing her with unlimited resources and narcotics They never once communicated any concerns or alarms to Elle or Lewis And as a result of these enablers Megan slipped into the dark underworld of drug addiction Between the grandparents and the newfound guys with resources Megan became trapped in the subculture of violence near death experiences and drug dependency All the while devastatingly enabling Megan Violet and Micah took the approach to completely and forever ignore their only grandson Michael Ultimately they haven t connected with him on any level for fifteen years and are comfortable with that After Elle and Lewis witnessed their daughter temporarily transform into another unrecognizable being Elle and Lewis ultimately arrived at a place of manage and resolve Even though disbelief still consumes Elle as to how her mother Violet treated her and her family so atrociously Elle forever took substantive measures to implement and maintain safe and healthy boundaries on behalf of herself and family in terms of Violet and Micah Elle has an exceptional quality of survival and resilience like no other It is true that Lewis and Elle s children are most influential in their lives and they have big dreams for them It is a cautionary approach however that must be implemented with troubling maternal grandparents inappropriately interfering instead of promoting unity and support Lewis and Elle proved being strong influential parents and set meaningful boundaries that their family followed and they ultimately triumphed against a plethora of very dark wicked and life altering forces
