Being Israeli Being Israeli

**Adriana Kemp, Uri Ram, David
Newman, Oren Yifta**

Being Israeli Being Israeli:

Being Israeli Gershon Shafir, Yoav Peled, 2002-02-14 A timely study by two well known scholars offers a theoretically informed account of the political sociology of Israel The analysis is set within its historical context as the authors trace Israel's development from Zionist settlement in the 1880s through the establishment of the state in 1948 to the present day Against this background the authors speculate on the relationship between identity and citizenship in Israeli society and consider the differential rights duties and privileges that are accorded different social strata In this way they demonstrate that despite ongoing tensions the pressure of globalization and economic liberalization has gradually transformed Israel from a frontier society to one more oriented towards peace and private profit This unexpected conclusion offers some encouragement for the future of this troubled region However Israel's position towards the peace process is still subject to a tug of war between two conceptions of citizenship liberal citizenship on the one hand and a combination of the remnants of republican citizenship associated with the colonial settlement with an ever more religiously defined ethno nationalist citizenship on the other

From the Arab Other to the Israeli Self Yonatan Mendel, Ronald Ranta, 2016-04-14 This book examines the role played by Arab Palestinian culture and people in the construction and reproduction of Israeli national identity and culture showing that it is impossible to understand modern Israeli national identity and culture without taking into account its crucial encounter and dialectical relationship with the Arab Palestinian indigenous Other Based on extensive and original primary sources including archival research memoirs advertisements cookbooks and a variety of cultural products from songs to dance steps *From the Arab Other to the Israeli Self* sheds light on an important cultural and ideational diffusion that has occurred between the Zionist settlers and later the Jewish Israeli population and the indigenous Arab Palestinian people in Historical Palestine By examining Israeli food culture national symbols the Modern Hebrew language spoken in Israel and culture the authors trace the journey of Israeli national identity and culture in which Arab Palestinian culture has been imitated adapted and celebrated but strikingly also rejected forgotten and denied Innovative in approach and richly illustrated with empirical material this book will appeal to sociologists anthropologists historians and scholars of cultural and Middle Eastern studies with interests in the development and adaptation of culture national thought and identity

To Be an Arab in Israel Laurence Louër, 2007-03-06 *To Be an Arab in Israel* fills a long neglected gap in the study of Israel and the contemporary Arab world Whether for ideological reasons or otherwise both Israeli and Arab writers have yet to seriously consider Israel's significant minority of non Jewish citizens whose existence challenges common assumptions regarding Israel's exclusively Jewish character Arabs have been a presence at all levels of the Israeli government since the foundation of the state Laurence Louër begins her history in the 1980s when the Israeli political system began to take the Arab nationalist parties into account for the political negotiations over coalition building Political parties especially Labour sought the votes of Arab citizens by making unusual promises such as ownership and access to land The continuing rise of

nationalist sentiments among Palestinians however threw the relationship between the Jewish state and the Arab minority into chaos But as Lou r demonstrates Palestinization did not prompt the Arab citizens of Israel to set aside their Israeli citizenship Rather Israel s Arabs have sought to insert themselves into Israeli society while simultaneously celebrating their difference and these efforts have led to a confrontation between two conceptions of society and two visions of Israel Lou r s fascinating book embraces the complexity of this history revealing the surprising collusions and compromises that have led to alliances between Arab nationalists and Israeli authorities She also addresses the current role of Israel s Arab elites who have been educated at Hebrew speaking universities and the continuing absorption of militant Islamists into Israel s bureaucracy To Be an Arab in Israel is a discerning treatment of an enigmatic little known but nevertheless highly influential people Their effect on the balance of power in the Middle East seems destined to grow in the twenty first century

The Challenges of Diaspora Migration Rainer K. Silbereisen, Peter F. Titzmann, 2016-04-01 Diaspora or ethnic return migrants have often been privileged in terms of citizenship and material support when they seek to return to their ancestral land yet for many after long periods of absence sometimes extending to generations acculturation to their new environment is as complex as that experienced by other immigrant groups Indeed the mismatch between the idealized hopes of the returning migrants and the high expectations for social integration by the new host country results in particular difficulties of adaptation for this group of immigrants often with high societal costs This interdisciplinary comparative volume examines migration from German and Jewish Diasporas to Germany and Israel examining the roles of origin ethnicity and destination in the acculturation and adaptation of immigrants The book presents results from various projects within a large research consortium that compared the adaptation of Diaspora immigrants with that of other immigrant groups and natives in Israel and Germany With close attention to specific issues relating to Diaspora immigration including language acquisition acculturation strategies violence and breaches with the past educational and occupational opportunities life course transitions and preparation for moving between countries The Challenges of Diaspora Migration will appeal to scholars across the social sciences with interests in migration and ethnicity Diaspora and return migration

The Israeli Century Yossi Shain, 2021-11-02 The Israeli Century is one of the most important books of our generation emphasizing how Israel is becoming the center of the Jewish People s existence and is laying the solid foundations for its future Isaac Herzog President of Israel In this important breakthrough work Yossi Shain takes us on a sweeping and surprising journey through the history of the Jewish people from the destruction of the First Temple in the sixth century B C E up to the modern era Over the course of this long history Jews have moved from a life of Diaspora which ultimately led to destruction to a prosperous existence in a thriving independent nation state The new power of Jewish sovereignty has echoed around the world and gives Israelis a new and significant role as influential global players In the Israeli Century the Jew is reborn feeling a deep responsibility for his tradition and a natural connection to his homeland A sense of having a home to return to allows him to travel the wider world

and act with ease and confidence In the Israeli Century the Israeli Jew can fully express the strengths developed over many generations in the long period of wandering and exile As a result Shain argues the burden of preserving the continuity of the Jewish people and defining its character is no longer the responsibility of Diaspora communities Instead it now falls squarely on the shoulders of Israelis themselves The challenges of Israeli sovereignty in turn require farsighted leaders with a clear eyed understanding of the dangers that confront the Jewish future as well as the incredible opportunities it offers Young Zionist Voices David Hazony,2024-11-20 On elite campuses across the Western world Jewish students suddenly find themselves threatened alone and unsupported by faculty and administration This timely collection of essays by young activists and thinkers offers a core of ideas to lead the next generation one filled with Jewish pride passion for Israel and Zionist resilience in the face of a global assault on their identity homeland and heritage Reading this book is like taking all these brilliant young people out for coffee and then listening in silent awe as they articulate their visions for the future In a time of horror here s some fantastic news The Jewish future is in good hands Dara Horn author of *People Love Dead Jews* As this essential collection of thoughtful and inspiring essays reveals our future leadership is already emerging This book is a gift of hope Yossi Klein Halevi author of *Letters to My Palestinian Neighbor* These essays are not just ideas They are the seeds of a vibrant unbreakable Jewish future Noa Tishby co author of *Uncomfortable Conversations with a Jew* Within these essays hide the next David Ben Gurion the next Vladimir Jabotinsky the next Rabbi Kook and Ahad Ha am and so many other future leaders of a new strong and proud Zionist movement Shai Davidai Columbia Business School A rising generation of young proud Jews are leaning into being Jewish into the joy into the history into the future and yes into the fight Einat Wilf author of *We Should All Be Zionists* Here are the voices passionate urgent contradictory clear that will shape the Jewish future They demand attention and they deserve respect Rabbi David Wolpe author of *Why Faith Matters* *Israel's Jewish Identity Crisis* Yaacov Yadgar,2020-01-30 An innovative and provocative study tackling the main assumptions surrounding Israel s claim to Jewish identity **The Oxford Handbook of Language Policy and Planning** James W. Tollefson,Miguel Pérez-Milans,2018 In 35 chapters by leading scholars in language policy and planning LPP this Handbook critically examines current theoretical and methodological transformations taking place in LPP Sections on LPP theory nation states and communities and late modernity plus an integrative summary offer a state of the art profile of LPP and directions for future research **Handbook of Ethnic Conflict** Dan Landis,Rosita D. Albert,2012-02-14 Although group conflict is hardly new the last decade has seen a proliferation of conflicts engaging intrastate ethnic groups It is estimated that two thirds of violent conflicts being fought each year in every part of the globe including North America are ethnic conflicts Unlike traditional warfare civilians comprise more than 80 percent of the casualties and the economic and psychological impact on survivors is often so devastating that some experts believe that ethnic conflict is the most destabilizing force in the post Cold War world Although these conflicts also have political economic and other causes the purpose of this volume is to develop a

psychological understanding of ethnic warfare More specifically Handbook of Ethnopolitical Conflict explores the function of ethnic religious and national identities in intergroup conflict In addition it features recommendations for policy makers with the intention to reduce or ameliorate the occurrences and consequences of these conflicts worldwide Israelis in Conflict Adriana Kemp, Uri Ram, David Newman, Oren Yifta, 2014-06-01 Globalisation and increased cultural heterogeneity have had a major impact on states whose identity has been defined in terms of a single often socially constructed allegiance to the state and a single hegemonic ideology Nowhere are changing notions of identity more prevalent than in Israel a country whose dominant Western Jewish society has been subject to understanding their past and present in terms of a single ideology of state formation Zionism This book challenges some of the traditional analytical paradigms prevalent in Israeli social science for the past fifty years

Recognizing the way ways to get this ebook **Being Israeli Being Israeli** is additionally useful. You have remained in right site to begin getting this info. acquire the Being Israeli Being Israeli partner that we present here and check out the link.

You could purchase guide Being Israeli Being Israeli or acquire it as soon as feasible. You could quickly download this Being Israeli Being Israeli after getting deal. So, later than you require the books swiftly, you can straight get it. Its consequently very easy and for that reason fats, isnt it? You have to favor to in this space
