**Key Takeaways**

- 1 Nursing homes neither have been created for assisting elderly persons to reduce their level of dependency on another person nor to provide better options than the poorhouses The purpose for creating nursing homes is clearing hospital beds
- 2 Assisted living therefore has risen from the requirement to provide alternative solution to nursing homes which can make patients more independent and have a better grip over their own lives
- 3 Most people in the later years of their own lives want something more than survival and that is where nursing homes medical institutions and assisted living fail
- 4 People must question what makes life worth living at the time when they

get old are frail ill and have to depend on another person for their daily care      **Atul Gawande's Being Mortal** ,2015 This is a Summary of Atul Gawande s Being Mortal where this bestselling author tackles the hardest challenge of his profession how medicine can not only improve life but also the process of its ending Medicine has triumphed in modern times transforming birth injury and infectious disease from harrowing to manageable But in the inevitable condition of aging and death the goals of medicine seem too frequently to run counter to the interest of the human spirit Nursing homes preoccupied with safety pin patients into railed beds and wheelchairs Hospitals isolate the dying checking for vital signs long after the goals of cure have become moot Doctors committed to extending life continue to carry out devastating procedures that in the end extend suffering Gawande a practicing surgeon addresses his profession s ultimate limitation arguing that quality of life is the desired goal for patients and families Gawande offers examples of freer more socially fulfilling models for assisting the infirm and dependent elderly and he explores the varieties of hospice care to demonstrate that a person s last weeks or months may be rich and dignified Full of eye opening research and riveting storytelling Being Mortal asserts that medicine can comfort and enhance our experience even to the end providing not only a good life but also a good end Available in a variety of formats this summary is aimed for those who want to capture the gist of the book but don t have the current time to devour all 304 pages You get the main summary along with all of the benefits and lessons the actual book has to offer This summary is not intended to be used without reference to the original book      Summary Quality Summaries,2018-12-14 IMPORTANT NOTE This is a book summary of Being Mortal by Atul Gawande and is not the original book In the book Gawande is able to build a narrative through the collection of experiences that leads to the conclusion that as we perceive ourselves as closer to death our thoughts on mortality transform our goals and values to that of simpler things Through a collection of insights statistics and stories Gawande argues on how we should focus less on prolonging life and more on how we can make it more meaningful This book summarizes the original in detail to help people effectively understand articulate and imbibe the original work by Gawande This book is not meant to replace the original book but to serve as a companion to it      **Summary Atul Gawande's Being Mortal** Ant Hive Media,2016-11-28 This is a Summary of Atul Gawande s Being Mortal where this bestselling author tackles the hardest challenge of his profession how medicine can not only improve life but also the process of its ending Medicine has triumphed in modern times transforming birth injury and infectious disease from harrowing to manageable But in the inevitable condition of aging and death the goals of medicine seem too frequently to run counter to the interest of the human spirit Nursing homes preoccupied with safety pin patients into railed beds and wheelchairs Hospitals isolate the dying checking for vital signs long after the goals of cure have become moot Doctors committed to extending life continue to carry out devastating procedures that in the end extend suffering Gawande a practicing surgeon addresses his profession s ultimate limitation arguing that quality of life is the desired goal for patients and families Gawande offers examples of freer more socially fulfilling models for assisting the infirm and dependent
