Atlas of Religion in China: Social and Geographical Contexts Fenggang Yang, 2018-09-04 The speed and the scale with which traditional religions in China have been revived and new spiritual movements have emerged in recent decades make it difficult for scholars to stay up to date on the religious transformations within Chinese society This unique atlas presents a bird s eye view of the religious landscape in China today In more than 150 full color maps and six different case studies it maps the officially registered venues of China s major religions Buddhism Christianity Protestant and Catholic Daoism and Islam at the national provincial and county levels The atlas also outlines the contours of Confucianism folk religion and the Mao cult Further it describes the main organizations beliefs and rituals of China s main religions as well as the social and demographic characteristics of their respective believers Putting multiple religions side by side in their contexts this atlas deploys the latest qualitative quantitative and spatial data acquired from censuses surveys and fieldwork to offer a definitive overview of religion in contemporary China An essential resource for all scholars and students of religion and society in China

Better Health through Spiritual Practices Dean D. VonDras Ph.D., 2017-08-18 An in depth examination of

religious practices around the world and the fascinating science behind how they make us healthier Many religious and spiritual beliefs promote wellness through their practices or stated objectives for example focusing on simple living having compassion for others vegetarianism or meditation and mindfulness This refreshing work provides a review of the world s spiritual perspectives and traditions and explores how their guiding principles encourage healthy lifestyle choices An examination of religious and nonreligious perspectives from around the world from atheism Confucianism and Christianity to Islam Judaism Shamanism and Zoroastrianism reveals how faith beliefs and values influence behavior and inspire healthy living With contributions from leading international scholars the chapters include a discussion of Eastern and Western world religions and their practices such as fasting or the avoidance of alcohol and tobacco and how they may foster healthfulness A contemporary analysis of current research findings suggests possible interventions that individuals and health providers may utilize to enhance healthfulness A final chapter explores the connection between health illness and religious and nonreligious perspectives

Sufism and Zen in the West Saeko Yazaki, Michael Conway, 2025-02-20 Historically and culturally Sufism and Zen may not seem to have anything in common However in the West their spiritual messages are often perceived as strikingly similar In this book scholars analyse the ways in which Sufism and Zen were introduced to and developed in the West The collection shows that the popularity of these religions arose not because of the substantive shared elements within the two traditions but because their promoters in the West employed similar strategies to respond to the interests of a modern Western audience The first book to make a close comparison of Sufism and Zen this study is an important contribution to understanding Western religious life and processes of easternisation It sheds new light on how Sufism and Zen came to represent a spirituality that is both countercultural and in touch with modern sensitivities

Being Muslim in a Morally Relative World Muhammad Awais Shaukat, 2024-10-29 Being Muslim in a Morally Relative World The Dilemma of Contemporary Polarized Pakistani Society examines the challenges faced by Islamic societies in the 21st century particularly in Pakistan as they navigate the influences of globalization and Western intellectual movements Muhammad Awais Shaukat offers a detailed analysis comparing the Islamic value system with the concept of moral relativism exploring how these contrasting ethical frameworks shape individual and societal behaviors values and beliefs The book investigates the conflict between traditional Islamic morality rooted in the Qur an and Sunnah which upholds absolute and objective values and the relativistic subjective morality emerging from post modernism By leveraging his multidisciplinary expertise the author illustrates how these conflicting values have intensified polarization within Muslim societies amplified by media and intellectual discourse The book contributes not only to academic discourse but also offers practical insights for policymakers educators and community leaders offering a framework for developing pathways toward social harmony and cohesion

Soul Savior, Soul Rebel Mohamed Moussa Ghounem, 2025-09-22 In an era when depression anxiety and trauma have reached epidemic proportions this revolutionary work bridges a critical gap that traditional approaches have failed to

address the artificial separation between psychological healing and spiritual transformation Drawing from decades of clinical research and interfaith dialogue this comprehensive guide presents the first systematic integration of Islamic Christian and Jewish healing wisdom with cutting edge neuroscience and trauma research Through compelling personal narratives including the author s own soul journey readers discover how their deepest wounds can become their greatest sources of wisdom and service What Sets This Work Apart This meticulously researched volume introduces Comparative Spiritual Psychology a pioneering methodology that identifies universal healing principles across religious traditions while honoring their unique contributions Each chapter follows a rigorous Story Science Practice framework weaving personal narrative with peer reviewed research and practical exercises adapted for diverse cultural contexts The book addresses critical contemporary issues including Religious trauma and spiritual abuse recovery Integration of mental health treatment with spiritual practice Cross cultural healing approaches for immigrant and refugee populations LGBTQ affirmative spiritual care Intergenerational trauma and collective healing Community based approaches to the mental health crisis Unprecedented Scope and Depth With over 300 research citations culturally adapted healing practices emergency intervention protocols and professional referral guidelines this work serves multiple audiences simultaneously mental health professionals seeking spiritual integration spiritual directors requiring psychological sophistication individuals navigating their own healing journeys and communities building trauma informed support systems The 30 Day Soul Rebel Challenge provides readers with a structured transformation journey while extensive appendices offer interfaith resources crisis interventions and professional development guidelines making this both a profound personal healing guide and essential professional reference Timely and Transformative As mental health systems worldwide struggle to address rising rates of depression anxiety and trauma this book offers a paradigm shifting solution healing that honors both the psychological and spiritual dimensions of human suffering The author demonstrates how wounded healers who transform their pain into purpose become catalysts for collective transformation a message desperately needed as communities seek sustainable approaches to widespread trauma Written with remarkable vulnerability scholarly rigor and practical wisdom this work transcends typical self help or academic categories It represents a new genre of healing literature that speaks simultaneously to the mind seeking understanding the heart seeking comfort and the soul seeking transformation For readers seeking Evidence based approaches to spiritual healing Trauma informed religious practice Integration of therapy with contemplative traditions Culturally sensitive mental health approaches Tools for transforming personal wounds into service Community based healing models This isn t merely another book about mental health or spirituality it s a comprehensive blueprint for individual and collective transformation that addresses the root causes of our contemporary suffering while offering practical pathways to liberation Part of the God of Verbs Trilogy and Trilogy Covenant Series revealing how faith transforms from static identity into living action these guides offer a complete blueprint for healing the divisions between religions and scientific healing with integrated spirituality
