Maria Edgeworth

Belinda Maria Edgeworth:

Belinda Maria Edgeworth, 2017-01-08 *Belinda* Maria Edgeworth *Belinda* is an 1801 novel by the Irish writer Maria Edgeworth. It was first published in three volumes by Joseph Johnson of London and was reprinted by Pandora Press in 1986. The novel was Edgeworth's second published and was considered controversial in its day for its depiction of an interracial marriage. In its first 1801 and second 1802 editions, Juba, an African servant on a plantation in Jamaica, marries an English farm girl named Lucy. But the third edition of the book, published in 1810, omits the character Juba and instead has Lucy betrothed to one James Jackson. Also in the first two editions, *Belinda* almost marries Mr Vincent, a rich West Indian Creole. In the 1810 edition, *Belinda* only esteems him and never agrees to marry him. It has been argued that this change came at the insistence of Edgeworth's father rather than the author herself, because he edited several of her works. *Belinda* is a young lady who lives with her aunt Mrs Stanhope. Being unwed, *Belinda* is sent to live with Lady Delacour, whom *Belinda* considers fascinating and charming. Lady Delacour believes herself to be dying of breast cancer. She hides her emotional distress caused by her impending death and poor relationships with her family from *Belinda* through wit and charm. The first half of the novel is concerned with the blooming friendship between *Belinda* and Lady Delacour, which is broken by Lady Delacour's fear that *Belinda* plans to marry Lord Delacour, expressed in the line "I see that she *Belinda* who I thought had the noblest of souls has the meanest. I see that she is incapable of feeling." *Belinda* subsequently moves to the home of the Percival family, the embodiment of the ideal family. Once Lady Delacour seeks treatment for her illness, *Belinda* returns to support her. Upon her visit to the doctor, Lady Delacour discovers her disease is not terminal and reconciles herself with *Belinda*. She eventually makes a full recovery from her illness.

***Belinda*. By Maria Edgeworth. In Three Volumes. Vol. I. [-III.].** Maria Edgeworth, 1801. *Belinda* ... Maria Edgeworth, 1833. *Belinda* Maria Edgeworth, 1999-04-29. Maria Edgeworth won the admiration of her contemporary Jane Austen as well as later writers such as Thackeray and Turgenev, and in *Belinda* (1801) she tackles issues of gender and race in a manner at once comic and thought provoking. Braving the perils of the marriage market, *Belinda* learns to think for herself as the examples of her friends prove singularly unreliable. Edgeworth's varied cast includes the bewitching aristocrat Lady Delacour, whose dreadful secret puts her in the power of her volatile servant, the dashing Creole gentleman Mr Vincent, who almost succeeds in winning *Belinda*'s hand, if not her heart, the eccentric Clarence Hervey, whose attempts to create an ideal wife backfire, and the outrageous Harriet Freke, whose antics as social outlaw land her in a mantrap. This lively comedy challenges the conventions of courtship, examines questions of female independence, and exposes the limits of domesticity. The text used in this edition (1802) also confronts the difficult and fascinating issues of racism and mixed marriage, which Edgeworth toned down in later editions.

ABOUT THE SERIES For over 100 years, Oxford World's Classics has made available the widest range of literature from around the globe. Each affordable volume reflects Oxford's commitment to scholarship, providing the most accurate text plus a wealth of other valuable features, including

expert introductions by leading authorities helpful notes to clarify the text up to date bibliographies for further study and much more

Works of Maria Edgeworth: Belinda. 1824 Maria Edgeworth, 1824 **The Novels of Maria Edgeworth** Maria Edgeworth, 1893 *The Novels of Maria Edgeworth* Maria Edgeworth, 2015-10-27 *Belinda (Illustrated)* Maria Edgeworth, 2016-04-25

Belinda is an English Society novel originally published in three volumes in 1801 by Joseph Johnson with subsequent publications in 1802 and 1810 The novel was considered controversial in its day particularly for its depiction of interracial marriage In the 1810 publication perhaps due to the editorial influence of Edgeworth's father some characters were replaced and the interracial plot lines were omitted completely With Belinda Edgeworth pushed the envelope of the traditional courtship novel of the day typically depicting the struggles of bright young women in search of good marriages In Belinda Edgeworth creates a revolutionary character who foregoes mercenary fortune hunting in favor of celebrating the importance of marital compatibility and championing irrationality and love over reason and duty By doing so Edgeworth prefigures Jane Austen her contemporary and Austen's more well known treatment of similar themes

The Novels and Selected Works of Maria Edgeworth Maria Edgeworth, 2003 **Belinda** Maria Edgeworth, 1833
