But God 1 Candice Timms:

A complete concordance to the holy Scriptures Alexander Cruden, 1804 **Understanding Clergy Misconduct in Religious Systems** Candace R. Benyei, 2014-10-13 In *Understanding Clergy Misconduct in Religious Systems* you'll take an incisive look at why sexual misconduct occurs in religious systems and how to implement proactive strategies for holistic change. Applicable to both Jewish and Christian communities, this illuminating exploration takes a look at the psychology behind scapegoating, why it is perpetuated, and how you can quell the damaging tradition of silence. *Understanding Clergy Misconduct in Religious Systems* helps you see leaders of religious institutions in a way that the world has been afraid to see them in: a glass clearly. Enriched with metaphoric myths and fairy tales instead of technical jargon, its unique systemic perspective reveals the psychodynamics behind the obsession with family secrets and lets you understand this dysfunction from the perspectives of victim, abuser, and counselor. These specific areas will both inform and aid you in dealing with this difficult subject: the religious institution as a family system, the religious system as an illusion of the perfect family, the concept of God transference, and the overidealization of clergy, clergy personal relationships, and clergy congregational relationships. Vulnerability and the psychology of the victim, strategies for healing dysfunctional religious systems. *Understanding Clergy Misconduct in Religious Systems* comes at just the right time in an era when little has been written on the subject, especially from a systemic perspective. This work comes at a time when the phenomena of clergy sexual misconduct has rocked the very foundation of religious systems worldwide. Whether you're a lay congregational leader, judicatory administrator, pastoral counselor, psychologist, or seminarian, you'll find that the coping strategies and intervention techniques it outlines will guide you in pinpointing the sickness at its source and restoring felicity and order to your religious leaders and their communities.

Death in the Jungle Candace Fleming, 2025-04-29 How did Jim Jones, the leader of Peoples Temple, convince more than 900 of his followers to commit revolutionary suicide by drinking cyanide-laced punch? From a master of narrative nonfiction comes a chilling chronicle of one of the most notorious cults in American history. Using riveting first-person accounts, award-winning author Candace Fleming reveals the makings of a monster from Jones's humble origins as a child of the Depression to his founding of a group whose idealistic promises of equality and justice attracted thousands of followers to his relocation of Temple headquarters from California to an unsettled territory in Guyana, South America.

America which he dubbed Jonestown to his transformation of Peoples Temple into a nefarious experiment in mind control And Fleming heart stoppingly depicts Jones s final act persuading his followers to swallow fatal doses of cyanide to drink the kool aid as it became known as a test of their ultimate devotion Here is a sweeping story that traces step by step the ways in which one man slowly indoctrinated then murdered 900 innocent well meaning people And how a few members Jones own son included stood up to him but not before it was too late *TIMS/ORSA Bulletin* Institute of Management Sciences,1989
