Butch Harmons Playing Lessons:

Butch Harmon's Playing Lessons Claude Harmon, John Andrisani, 1999 Tiger Woods turns to him for advice Shouldn't you Whether you're an aspiring pro or just a weekend hacker you too can benefit from the hottest teacher in golf today the man who helped Tiger hone his skills Presenting strategies for golfers of all levels Butch Harmon shows you HOW TO APPROACH EACH HOLE HOW TO PLAY TO YOUR STRENGTHS WHEN TO TAKE RISKS AND WHEN TO AVOID THEM AND MUCH MORE To make his lessons more fun and more challenging Harmon has selected eighteen holes from America's greatest courses to illustrate his techniques Packed with full color photos and diagrams Butch Harmon's Playing Lessons fulfills every golfer's dream the chance to play legendary holes in the company of a world renowned pro *The Pro* Butch Harmon, 2007-05-22 Butch Harmon is the world's number one golf coach He taught Tiger Woods through one of the greatest stretches of victories in golf history and perhaps even more conspicuously did not teach Tiger Woods following his unprecedented run as well as superstars like Greg Norman Adam Scott Fred Couples Darren Clarke Natalie Gulbis and Davis Love III How did he become such a legendary teacher and mentor The answer is simple He learned from watching his father The Harmons are the First Family of golf and Claude Harmon Sr was the greatest of them all His skill as a player an innovator a teacher a devoted father a loyal friend and a peer of giants such as Ben Hogan has gone largely unappreciated by all but those who knew him best In this book by his son he finally gets his due In *The Pro* Butch Harmon paints a compelling portrait of an era in sports before the emergence of big media and bigger money and shows how the lessons he learned about life and golf at his father's knee made him the man he is today *The Pro* is both a family and a golf memoir as well as an inside look at what it takes to teach the Tigers of the world It describes how Butch and his brothers who are also teachers transfer their father's unique wit wisdom and philosophy to the next generation of golfers Sometimes their advice relates to the game sometimes they simply offer words of encouragement and motivation sometimes they make pointed criticisms intended to shock their students into focus and sometimes they try to impart simple advice about walking around through life The Harmon brothers are teachers who share a special quality All of their lessons are passed down from their father Millions of golf fans know Butch Harmon many are even familiar with his father and brothers But never before have we been given such an intimate look at life among the legends of golf *The Pro* is the story of an extraordinary father and son that will resonate with anyone who has ever looked back on life and recognized the wisdom of their parents' teachings Golf's hard Dad would say pointing a meaty finger at me as if he were about to reveal the secret of the Rosetta Stone Good golf is damn hard and championship golf is something only a few will ever see But that's how it should be If it were easy everybody would do it And where's the fun in that From Butch Harmon the world's number one golf coach comes the inside story of how he learned everything he knows about golf and life from his father Claude Harmon Sr Both a family memoir and a reminiscence of growing up among the legends of sport *The Pro* is a portrait of one extraordinary family and the game that will carry their

legacy for years to come The Pro Butch Harmon, 2006-05-09 Butch Harmon is the world's number one golf coach. He taught Tiger Woods through one of the greatest stretches of victories in golf history and perhaps even more conspicuously did not teach Tiger Woods following his unprecedented run as well as superstars like Greg Norman, Adam Scott, Fred Couples, Darren Clarke, Natalie Gulbis, and Davis Love III. How did he become such a legendary teacher and mentor? The answer is simple. He learned from watching his father. The Harmon family is the First Family of golf, and Claude Harmon Sr. was the greatest of them all. His skill as a player, an innovator, a teacher, a devoted father, a loyal friend, and a peer of giants such as Ben Hogan has gone largely unappreciated by all but those who knew him best. In this book by his son, he finally gets his due. In *The Pro*, Butch Harmon paints a compelling portrait of an era in sports before the emergence of big media and bigger money and shows how the lessons he learned about life and golf at his father's knee made him the man he is today. *The Pro* is both a family and a golf memoir as well as an inside look at what it takes to teach the Tigers of the world. It describes how Butch and his brothers, who are also teachers, transfer their father's unique wit, wisdom, and philosophy to the next generation of golfers. Sometimes their advice relates to the game; sometimes they simply offer words of encouragement and motivation; sometimes they make pointed criticisms intended to shock their students into focus; and sometimes they try to impart simple advice about walking around through life. The Harmon brothers are teachers who share a special quality. All of their lessons are passed down from their father. Millions of golf fans know Butch Harmon; many are even familiar with his father and brothers. But never before have we been given such an intimate look at life among the legends of golf. *The Pro* is the story of an extraordinary father and son that will resonate with anyone who has ever looked back on life and recognized the wisdom of their parents' teachings. Golf's hard Dad would say, pointing a meaty finger at me as if he were about to reveal the secret of the Rosetta Stone: Good golf is damn hard, and championship golf is something only a few will ever see. But that's how it should be. If it were easy, everybody would do it. And where's the fun in that? From Butch Harmon, the world's number one golf coach, comes the inside story of how he learned everything he knows about golf and life from his father, Claude Harmon Sr. Both a family memoir and a reminiscence of growing up among the legends of sport, *The Pro* is a portrait of one extraordinary family and the game that will carry their legacy for years to come. *Golf Gurus* James Y. Bartlett, 1996 **Chasing the Dream** Harry Hurt, 1997 one last shot at glory. He was going to reconstruct his game and finally make it to the PGA Tour. Spanning the nation's most diverse and treacherous courses from Long Island's blue collar Barcelona Neck to Doral's Blue Monster in Florida, Harry's story includes a stellar cast of supporting characters: PGA Tour stars Greg Norman, Fred Couples, Ben Crenshaw, Tiger Woods, and Bruce Lietzke; the colorful tennis great Ivan Lendl pursuing a second stint in the spotlight. *Shipmate*, 1959 Pure-bred Dogs, *American Kennel Gazette*, 1977-04 Cars & Parts, 1989
