

Being Their Baby

Wolfgang Guggemos

Being Their Baby:

My Body, Their Baby Grace Kao, 2023-08-15 Drawing on her own experience as a surrogate mother Grace Y Kao assesses the ethics of surrogacy from a feminist and progressive Christian perspective concluding that certain kinds of surrogacy arrangements can be morally permissible and should even be embraced While the use of assisted reproductive technology has brought joy to countless families surrogacy remains the most controversial path to parenthood My Body Their Baby helps readers sort through objections to this way of bringing children into the world Candidly reflecting on carrying a baby for her childless friends and informed by the reproductive justice framework developed by women of color activists Kao highlights the importance of experience in feminist methodology and Christian ethics She shows what surrogacy is like from the perspective of women becoming pregnant for others parents who have opted for surrogacy including queer couples and the surrogate born children themselves Developing a constructive framework of ethical norms and principles to guide the formation of surrogacy relationships Kao ultimately offers a vision for surrogacy that celebrates the reproductive generosity and solidarity displayed through the sharing of traditionally maternal roles

The Complete Idiot's Guide to Being a New Dad Joe Kelly, 2013-04-02 Ask any guy who is expecting his first child and he s likely to tell you the same thing he s absolutely thrilled to be a dad for the first time and he s also completely terrified Most new dads don t know the first thing about dealing with a new baby and while mommy might be interested in more complex topics that range from breastfeeding to colic most new daddies just want to know how not to screw it all up The Complete Idiot s Guide to Being a New Dad is written to be both highly usable and practical layered with a bit of encouraging wit in between First time dads will learn the daddy essentials for caring for a newborn from what to expect when baby first arrives and changing those first diapers without a disaster to the basics of feeding and burping and getting baby to sleep so mom and dad can sleep too and how to help mommy as she heals and deals with the enormous changes that she s experiencing both mentally and physically The Complete Idiot s Guide to Being a New Dad is the perfect guide for any new dad who needs to be armed with a little essential knowledge and a whole lot of encouragement

The Baby as Subject Frances Thomson-Salo, Paul Campbell, 2018-05-01 This book is a collection of papers by clinicians united in their conviction about the importance of directly engaging and interacting with the baby in the presence of the parents whenever possible This approach which draws on the work of Winnicott Trevarthen and Stern honours the baby as subject It re presents the baby to the parents who may in that way see a new child in turn shaping the infant s implicit memories and reflective thinking Recent neurobiological attachment and developmental psychology models inform the work The book describes the underpinning theoretical principles and the settings and forms of direct clinical practice ranging from work with acutely ill babies to more everyday interventions in crying feeding and sleeping difficulties as well as infant parent psychotherapy Clinicians at The Royal Children s Hospital Melbourne from the disciplines of psychiatry psychoanalysis psychology nursing speech pathology child psychotherapy

paediatrics and music therapy describe their work with ill and suffering babies and their families

Pregnancy, Childbirth, and the Newborn Janet Walley, Penny Simkin, Ann Keppler, Janelle Durham, April Bolding, 2016-03-29 If you only buy one pregnancy book this should be the one It s the most complete It covers all aspects of childbearing from conception through early infancy and tells you what to expect It offers detailed information suggestions on decisions to make and advice on steps to take to have a safe and satisfying experience The Award Winning Resource Recommended by Experts Loved by Parents Parents love this book because it puts them in control by explaining a wide range of options information and questions to ask so parents can find what works best for their health situation personal goals and priorities Experts love this book because it s based on the latest medical research and recommendations from leading health organizations It s practical rooted in the real life experiences of new families The five authors bring a combined total of 150 years of experience working with expectant and new families as educators nurses counselors doulas physical therapists and lactation consultants They have attended hundreds of births heard thousands of birth stories and assisted innumerable new parents in adapting to their new lives Not only that the authors have a combined total of 12 children and 12 grandchildren All of this experience allows them to write with compassion understanding and wisdom based on what really works in the real world of parenting The companion website offers even more details on select subjects including lists of all the best resources on each topic and worksheets to guide parents decision making process The website also includes a bonus chapter on pre conception which provides ways to improve your health and fertility before pregnancy begins

Social Work Practice in Pediatric Palliative and End-of-Life Care Barbara Jones, 2016-01-22 As an essential and emerging practice Pediatric palliative care seeks to prevent and relieve suffering for children with life threatening conditions Palliative care teams are composed of providers of various disciplines including social workers who collaborate to address the medical social emotional and spiritual needs of the child and their families Social workers are especially accustomed to interdisciplinary care and may counsel provide resources facilitate communication and promote person and family centered practices that are the basis of effective pediatric palliative care This book presents practice strategies experiential knowledge and research related to practicing in collaborative teams ICU settings and hospice It also presents research that is informed by the perceptions and perspectives of bereaved parents parents who have suffered a stillbirth and parent caregivers of children with life limiting illness This book highlights the unique role social workers play within care teams and in relationship with children who have life limiting illness and their families This book was originally published as a special issue of the Journal of Social Work in End of Life Palliative Care

is perfect for everyone who is interested in Play from those just starting undergraduate degrees through to those with more advanced knowledge or experience

Who Said It Would Be Easy? Cheryl Faye, 2011-02-08 Delving deep into issues of romance relationships and faith this is a beautiful novel about a man and woman who through their trust in God learn to live and love in the face of tragedy Charisse Ellison is new to her faith but she's convinced that her relationship with God is the only way to have the truly fulfilling life she desires one that includes a husband and children Tall muscular and strikingly handsome Stefan Cooper is a bachelor who is used to getting what he wants from the opposite sex So when Charisse is indifferent to his charm he's immediately intrigued The couple begins an intense romance that challenges the bravado Stefan has held on to for most of his adult life and forces Charisse to see that God's answered prayers don't always come packaged the way we expect Who Said It Would Be Easy offers hope in situations that at first seem hopeless and shows that through faith in an all powerful God even the most painful experiences can culminate in true joy and peace
