Buzzfeed Brother Orange:

Globalization: A Very Short Introduction Manfred B. Steger, 2020-05-28 We live today in an interconnected world in which ordinary people can become instant online celebrities to fans thousands of miles away in which religious leaders can influence millions globally in which humans are altering the climate and environment and in which complex social forces intersect across continents This is globalization In the fifth edition of his bestselling Very Short Introduction Manfred B Steger considers the major dimensions of globalization economic political cultural ideological and ecological He looks at its causes and effects and engages with the hotly contested question of whether globalization is ultimately a good or a bad thing From climate change to the Ebola virus Donald Trump to Twitter trade wars to China's growing global profile Steger explores today's unprecedented levels of planetary integration as well as the recent challenges posed by resurgent national populism ABOUT THE SERIES The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area These pocket sized books are the perfect way to get ahead in a new subject quickly Our expert authors combine facts analysis perspective new ideas and enthusiasm to make interesting and challenging topics highly readable

Postsocialist Politics and the Ends of Revolution Neda Atanasiowski, Kalindi Vora, 2022-10-20 Moving past the conflation of state socialism with all socialist projects this book opens up avenues for addressing socialist projects rooted in decolonial and antiracist politics To that end this anthology brings together scholarship across regions that engages postsocialism as an analytic that connects the afters of the capitalist socialist dynamic to present day politics Resisting the revolutionary teleology of what was before postsocialism can function to create space to work through ongoing legacies of socialisms in the present Looking at the Middle East Scandinavia Korea Romania China and the US the chapters in this book assess ongoing socialist legacies in new ethical collectivities and networks of dissent opposing state and corporate based military economic and cultural expansionism since the end of the Cold War The majority of the chapters in this book were originally published as a special issue of the journal Social Identities

Globalization Manfred B. Steger, 2023 Globalization is one of the defining buzzwords of our time describing a variety of accelerating economic political and cultural processes that constantly change our experience of the world This book provides an exploration of both the causes and effects of the phenomenon

Thinking Of Children: The Singapore Children's Society Collected Lectures (2015-2021) Singapore Children's Society, 2022-09-29 This book is the second in Singapore Children's Society's series of collected lectures by distinguished speakers on various aspects of childhood The chapters feature the speakers' personal narratives and professional expertise in their various fields of work as well as their replies to pertinent questions from members of the public about the issues faced by children growing up in Singapore It is our hope that the book will serve as an invaluable resource for members of the public who are interested in finding out more about the changes to childhood in Singapore over

the years **American Dreams, American Nightmares** Daniel Horowitz, 2022-11-22 Two decades punctuated by the financial crisis of the Great Recession and the public health crisis of COVID 19 have powerfully reshaped housing in America By integrating social economic intellectual and cultural histories this illuminating work shows how powerful forces have both reflected and catalyzed shifts in the way Americans conceptualize what a house is for in an era that has laid bare the larger structures and inequities of the economy Daniel Horowitz casts an expansive net over a wide range of materials and sources He shows how journalists and anthropologists have explored the impact of global economic forces on housing while filmmakers have depicted the home as a theater where danger lurks as elites gamble with the fates of the less fortunate Real estate workshops and popular TV networks like HGTV teach home buyers how to flip or flop while online platforms like Airbnb make it possible to play house in someone else's home And as the COVID pandemic took hold many who had never imagined living out every moment at home found themselves cocooned there thanks to corporations like Amazon Zoom and Netflix

They Can't Kill Us Until They Kill Us Hanif Abdurraqib, 2017-11-14 2018 12 best books to give this holiday season TODAY Elizabeth Acevedo A Best Book of 2017 Rolling Stone 2018 NPR BuzzFeed Paste Magazine Esquire Chicago Tribune Vol 1 Brooklyn CBC Stereogum National Post Entropy Heavy Book Riot Chicago Review of Books The Los Angeles Review Michigan Daily American Booksellers Association ABA December 2017 Indie Next List Great Reads Midwest Indie Bestseller In an age of confusion fear and loss Hanif Abdurraqib's is a voice that matters Whether he's attending a Bruce Springsteen concert the day after visiting Michael Brown's grave or discussing public displays of affection at a Carly Rae Jepsen show he writes with a poignancy and magnetism that resonates profoundly In the wake of the nightclub attacks in Paris he recalls how he sought refuge as a teenager in music at shows and wonders whether the next generation of young Muslims will not be afforded that opportunity now While discussing the everyday threat to the lives of Black Americans Abdurraqib recounts the first time he was ordered to the ground by police officers for attempting to enter his own car In essays that have been published by the New York Times MTV and Pitchfork among others along with original previously unreleased essays Abdurraqib uses music and culture as a lens through which to view our world so that we might better understand ourselves and in so doing proves himself a bellwether for our times

Why Detroit Matters Brian Doucet, 2017-04-06 Detroit has come to symbolise deindustrialization and the challenges and opportunities it presents As many cities struggle with urban decline racial and ethnic tensions and the consequences of neoliberal governance and political fragmentation Detroit's relevance grows stronger **Why Detroit Matters** bridges academic and non academic responses to this extreme example of a fractured and divided post industrial city Contributions from many of the leading scholars on Detroit are joined by influential writers planners artists and activists who have contributed chapters drawing on their experiences and ideas The book concludes with interviews with some of the city's most important visionaries who are engaged in inspiring practices which provide powerful lessons for Detroit and other cities around the world The book will be
