Asian Power And Politics The Cultural Dimensions Of Authority:

Asian Power and Politics Lucian W. PYE, Mary W. Pye, Lucian W Pye, 2009-06-30 In a major new book Lucian W Pye reconceptualizes Asian political development as a product of cultural attitudes about power and authority He contrasts the great traditions of Confucian East Asia with the Southeast Asian cultures and the South Asian traditions of Hinduism and Islam and explores the national differences within these larger civilizations Breaking with modern political theory Pye believes that power differs profoundly from one culture to another In Asia the masses of the people are group oriented and respectful of authority while their leaders are more concerned with dignity and upholding collective pride than with problem solving As culture decides the course of political development Pye shows how Asian societies confronted with the task of setting up modern nation states respond by fashioning paternalistic forms of power that satisfy their deep psychological craving for security This new paternalism may appear essentially authoritarian to Western eyes but Pye maintains that it is a valid response to the people s needs and will ensure community solidarity and strong group loyalties He predicts that we are certain to see emerging from Asia s accelerating transformation some new version of modern society that may avoid many of the forms of tension common to Western civilization but may also produce a whole new set of problems This book revitalizes Asian political studies on a plane that comprehends the large differences between Asia and the West and at the same time is sensitive to the subtle variations among the many Asian cultures Its comparative perspective will provide indispensable insights to anyone who wishes to think more deeply about the modern Asian states

Government Policies and Ethnic Relations in Asia and the Pacific Michael E. Brown, Sumit Ganguly, 1997-10-20 Efforts to contend with tensions inherent in multiethnic societies case studies of India Pakistan Sri Lanka Burma Thailand Malaysia Singapore Indonesia the Philippines China Australia New Zealand Papua New Guinea Fiji Vanuatu and the Federated States of Micronesia Ethnic conflict one of the most serious and widespread problems in the world today can undermine efforts to promote political and economic development as well as political economic and social justice It can also lead to violence and open warfare producing horrifying levels of death and destruction Although government policies on ethnic issues often have profound effects on a country the subject has been neglected by most scholars and analysts This volume analyzes different policies governments have pursued in their efforts to contend with the tensions inherent in multiethnic societies The book focuses on Asia and the Pacific the most populous and economically vibrant part of the world The heart of the book is a set of case studies of government policies in sixteen countries India Pakistan Sri Lanka Burma Thailand Malaysia Singapore Indonesia the Philippines China Australia New Zealand Papua New Guinea Fiji Vanuatu and the Federated States of Micronesia The studies consider a wide range of political economic educational linguistic and cultural policies and how these policies have evolved over time Using a broad comparative perspective to assess the effectiveness of different governmental approaches the authors offer policy recommendations that cut across individual countries and regions

The Ethos of the Hong Kong

Chinese Zhaojia Liu, Hsin-chi Kuan, 1988 *Interpreting History in Sino-Japanese Relations* Caroline Rose, 2005-08-04 The first book length study to examine the re writing of school textbooks by the Japanese Education Ministry in an attempt to play down atrocities in China during World War II The famous textbook crisis in 1982 was at the centre of a diplomatic storm extending through the 1980s as Sino Japanese relations were beset by a series of political controversies This fascinating account of the period reveals that Chinese and Japanese policy makers were more concerned with changes taking place in international and domestic politics than with adopting a correct view of history **Culture and Politics** NA NA, 2019-06-12 Political culture is one of the central but most difficult concepts in political science Culture and Politics A Reader explores this concept by compiling previously published works that focus on the core themes of political culture research Concepts and Applications Culture and Globalization Popular Culture Civil Society and Social Capital Social Movements and Collective Identity Culture and Political Change and Culture and Rationality Each section includes general and article introductions as well as a suggested reading list Culture and Politics A Reader provides a handy resource for students and teachers at both the graduate and under graduate level *Fighting Words* Michael Edward Brown, Sumit Ganguly, 2003 A study of the impact of language policies on ethnic relations in fifteen Asian and Pacific countries **Asia Pacific Security - Values and Identity** Leszek Buszynski, 2004-03-18 The main theme of this book is that security is not just about defence from external attack but embraces the protection of identity and values which cultures regard as important and which they may regard as worth fighting for It examines Asia Pacific security from the perspective of the values and identities of the major actors in the region China Japan the Koreas and the USA Burma David I. Steinberg, 2001-11-30 Long isolated by rigid military rule Burma or Myanmar is one of the least known significantly sized states in the world Possessed of a rich cultural history yet facing a range of challenges to stability and growth it has struck the imaginations of those concerned not only with geopolitical or trade affairs but also with poverty health and human rights David I Steinberg sheds new light on this reclusive state by exploring issues of authority and legitimacy in its politics economics social structure and culture since the popular uprising and military coup of 1988 Exploring the origins of that year s tumultuous events Steinberg analyzes a generation of preceding military governments and their attempts to address the nation s problems He focuses on the role of the military the effects of Burma s geopolitical placement the plight of the poor the destruction of civil society and rising ethnic tensions While taking into account the importance of foreign observers as counterpoints to official views suppliers of economic aid and advocates of reform Steinberg contends that ultimately the solutions to Myanmar s varied problems lie with the Burmese themselves and the policies of their government The paperback edition includes a postscript that reveals the most current and critical issues facing Burma since the publication of the original hardcover in March 2001 Steinberg brings readers up to date on the recent release of political prisoners economic and military conditions United Nations actions and the complex ever changing relationship between Thailand and Myanmar *Introduction to Politics* Robert Garner, Peter

Ferdinand, Stephanie Lawson, 2012-04-19 Introduction to Politics brings together an expert team of authors to produce the definitive introductory politics textbook The book is divided into three sections concepts and ideologies comparative politics and international relations

Politics in Southeast Asia William Case, 2013-09-13 This volume provides an introduction to the politics of the five key southeast Asian states Malaysia Singapore Indonesia Thailand and the Philippines and is intended as a textbook for undergraduate and graduate students taking courses on this subject Using a comparative politics and political economy perspective the author focuses in particular on the degree of democracy in the five countries arguing that in all the countries considered democracy is to varying degrees imperfect The book synthesises a wide range of scholarship and presents the material in a concise and accessible way
