Asias New Battlefield Struggle Western:

Asia's New Battlefield Richard Javad Heydarian, 2015-11-15 This compact insightful book offers an up to the minute guide to understanding the evolution of maritime territorial disputes in East Asia exploring their legal political security and economic dimensions against the backdrop of a brewing Sino American rivalry for hegemony in the Asia Pacific region It traces the decades long evolution of Sino American relations in Asia and how this pivotal relationship has been central to prosperity and stability in one of the most dynamics regions of the world It also looks at how middle powers from Japan and Australia to India and South Korea have joined the fray trying to shape the trajectory of the territorial disputes in the Western Pacific which can in turn alter the future of Asia and ignite an international war that could re configure the global order The book examines how the maritime disputes have become a litmus test of China s rise whether it has and will be peaceful or not and how smaller powers such as Vietnam and the Philippines have been resisting Beijing s territorial ambitions Drawing on extensive discussions and interviews with experts and policy makers across the Asia Pacific region the book highlights the growing geopolitical significance of the East and South China Sea disputes to the future of Asia providing insights into how the so called Pacific century will shape up

Countering Insurgencies and Violent Extremism in South and South East Asia Shanthie D'Souza, 2019-01-08 This volume of case studies examines the rise in violent extremism terrorism and insurgency in South and South East Asia and subsequent state responses The South and South East of Asia has experienced various forms of extremism and violence for years with a growing demand for academic or policy relevant work that will enhance understanding of the reasons behind this The violent challenges in this area have taken a variety of forms and are often exacerbated by lack of governance tie ins to existing regional criminal networks colonial legacies and a presence of international terrorist movements Written by experts with field experience this volume analyzes the key element of successful response as the appropriate application of doctrine following nuanced assessment of threat In practice this often means counterinsurgency doctrine The essays also analyze the need for irregular war practitioners to systematically examine the changing character of intrastate violent irregular challenges The volume fills a gap in the understanding of patterns drivers organizations and ideologies of various insurgent and terrorist groups and state responses It also provides a set of recommendations for addressing the unfolding situation This book will be of much interest to students of terrorism and political violence counterinsurgency and counterterrorism Asian politics and security studies in general

The Routledge Handbook of Asian Security Studies Sumit Ganguly, Andrew Scobell, Joseph Chinyong Liow, 2017-10-23 The Routledge Handbook of Asian Security Studies provides a detailed exploration of security dynamics in the three distinct subregions that comprise Asia and also bridges the study of these regions by exploring the geopolitical links between each of them The Handbook is divided into four geographical parts Part I Northeast Asia Part II South Asia Part III Southeast Asia Part IV Cross regional Issues This fully revised and updated second edition addresses the significant developments which have taken

place in Asia since the first edition appeared in 2009 It examines these developments at both regional and national levels including the conflict surrounding the South China Sea the long standing Sino Indian border dispute and Pakistan s investment in tactical nuclear weapons amongst many others This book will be of great interest to students of Asian politics security studies war and conflict studies foreign policy and international relations generally **Asia's New Battlefield** Richard Javad Heydarian,2016 **In the Dragon's Shadow** Sebastian Strangio,2020-08-07 A timely look at the impact of China s booming emergence on the countries of Southeast Asia Today Southeast Asia stands uniquely exposed to the waxing power of the new China Three of its nations border China and five are directly impacted by its claims over the South China Sea All dwell in the lengthening shadow of its influence economic political military and cultural As China seeks to restore its former status as Asia s preeminent power the countries of Southeast Asia face an increasingly stark choice flourish within Beijing s orbit or languish outside of it Meanwhile as rival powers including the United States take concerted action to curb Chinese ambitions the region has emerged as an arena of heated strategic competition Drawing on more than a decade of on the ground experience Sebastian Strangio explores the impacts of China s rise on Southeast Asia the varied ways in which the countries of the region are responding and what it might mean for the future balance of power in the Indo Pacific

India-Japan-ASEAN Triangularity Jagannath P. Panda,2022-08-11 This book focuses on the scope potential and future of the India Japan Association of Southeast Asian Nations ASEAN trilateral Through this book contributors examine the strategic and global partnership between India and Japan and the collaboration with ASEAN Analysing contemporary strategic issues in the Indo Pacific the book takes up the complex link between security and economics It offers a thorough understanding on how the major Asian powers India and Japan cooperate and coordinate with the ASEAN It delves into few critical questions Is there a scope for India Japan ASEAN triangularity in the Indo Pacific Can a formal or institutional cooperation be forged between these three actors What specific cooperation could India and Japan forge with ASEAN as an institution To what extent can each ASEAN member independently become a partner with India and Japan A novel assessment of the post pandemic economic and political balancing and restructuring this book will be of interest to Asian politics international relations strategic studies regional organizations in Asia and think tanks specializing in foreign policy security studies international trade and economics **Asian Waters** Humphrey Hawksley,2018-06-05 Seamlessly connects geography history and great power intrigue across the entire Indo Pacific region increasingly the fulcrum of world history James Clad Director Asian Security Programs at the American Foreign Policy Council In the sphere of future global politics no region will be as hotly contested as the Asia Pacific where great power interests collide amid the mistrust of unresolved conflicts and disputed territory This is where authoritarian China is trying to rewrite international law and challenge the democratic values of the United States and its allies The lightning rods of conflict are remote reefs and islands from which China has created military bases in the 1.5 million square mile expanse of the South China Sea a crucial world trading route

that this rising world power now claims as its own No other Asian country can take on China alone In Asian Waters award winning foreign correspondent Humphrey Hawksley breaks down the politics and tensions that he has followed through this region for years Reporting on decades of political developments he has witnessed China s rise to become one of the world s most wealthy and militarized countries and delivers in Asian Waters the compelling narrative of this most volatile region Can the United States and China handle the changing balance of power peacefully Do Japan the Philippines South Korea and Taiwan share enough common purpose to create a NATO esque multilateral alliance Does China think it can even become a superpower while making an enemy of America If so how does it plan to achieve it Asian Waters delves into these topics and more as Hawksley presents the most comprehensive and accessible analysis ever of this region **Power Politics in Asia's**

Contested Waters Enrico Fels,Truong-Minh Vu,2016-02-19 This volume offers a comprehensive and empirically rich analysis of regional maritime disputes in the South China Sea SCS By discussing important aspects of the rise of China s maritime power such as territorial disputes altered perceptions of geo politics and challenges to the US led regional order the authors demonstrate that a regional power shift is taking place in Asia Pacific The volume also provides in depth discussions of the responses to Chinese actions by SCS claimants as well as by important non claimant actors **Eurasian**

Maritime Geopolitics Kent E. Calder,2025-02-07 Eurasian Maritime Geopolitics by Kent E Calder examines the strategic geography of the sea lanes from Northeast Asia through the Indian Ocean to Europe through which much of the world s energy and information flow Calder shows how changing technology and economic patterns have profoundly transformed the global significance of those passageways since the end of the Cold War with fateful consequences for the strategic calculations of both the United States and a rising China The decline of the US shipping and shipbuilding sectors coupled with the rise of their Chinese counterparts is a major part of this hybrid equation The book provides readers a history of the changing economic role of the sea lanes as well as the decline of US maritime competitiveness It chronicles how maritime flows of energy commodities and information through submarine cables have increased Calder s clear eyed assessment documents the uncertainties relating to Eurasian sea lanes stretching from Taiwan to the Red Sea and beyond in the post Ukraine world **American Tianxia**

Babones, Salvatore,2017-07-19 After a meteoric rise China s once inexorable growth has come to a screeching halt With it ends China s dream of establishing a new tianxia harmonious order in Asia with China at its centre Salvatore Babones provides an up to date assessment of China s economic problems and how they are undermining China s challenge to the Western dominated world order As China s neighbours and many of its own most talented people look to the United States to ensure their security and prosperity global power is slowly but surely consolidating in a twenty first century American Tianxia A closely argued antidote to defeatist accounts of Western decline this book tells the story of how liberal individualism has become the leitmotif of the American Tianxia an emerging world system in which people of all nationalities seek a share in the economic cultural and political system that is America writ large
