than initially argued and if so under what conditions it flourishes most It assesses whether through adopting a sectoral approach to the area of development infrastructure water management security climate change energy trade health education or any other element defining EU Central Asian relations the European Union is able to co shape this geopolitically strategic region If so what drives the EU s ability to do so if not what mitigates its potential influence This book contributes to the scholarship on the EU s external governance both empirically and theoretically Labour Market Regulation and Deregulation in Asia Caroline Brassard,Sarthi Acharya,2006 Papers presented at the Conference on Regulation Deregulation and Reregulation held at Singapore during 22 24 March 2004 Human Rights in Asia Thomas W.D.
