Assistant Principal Interview Questions With Answers:

The Assistant Principal's Handbook Jeffrey Glanz, 2004-04-08 Concrete suggestions solutions and scenarios empower assistant principals to maximize their impact effectiveness and satisfaction as they supercharge schoolwide achievement

The Successful Principal Robert Cunard, 2017-07-21 The Successful Principal takes its reader through the arc of the principalship beginning with teaching moving on to promotion to the administrative office and how to achieve it describing how to go about entry planning going into depth about the challenges and opportunities the principal faces in leading a school and moving into a focus on how to thrive as a principal while growing the skills of others This is a book designed to give principals advice on how to do the job well The book is buttressed by research where appropriate and it pays particular attention to the principal's basic conundrum which is this while he/she is arguably the face and leader of the school he/she is often the person with the least actual power in the system The book takes a realistic look at the principal's power opportunities and structural and political limitations and then teaches its readers how successful principals find a way forward in spite of those challenges

Examining the Assistant Principalship Alan R. Shoho, Bruce G. Barnett, Autumn K. Tooms, 2011-11-01 This edited book highlights the importance and complexity of the assistant principalship As noted in all the chapters the assistant principal is a critical partner in creating a professional learning community that serves all students well Often neglected or ignored in the literature assistant principals are more than disciplinarians and student or building managers In the best of all worlds they provide the professional support and partnership with their principals to create high performing schools Unfortunately as noted in some of the chapters the ideal and actual roles that assistant principals exercise often create a gap that seethes with disillusionment and dissatisfaction The challenge for the profession is to better align the roles and expectations of assistant principals so that they can experience the best of being a school leader

Becoming a School Leader Charles A. Bonnici, 2013-12-05 There are many master teachers who have excellent organizational and interpersonal relation skills who think about becoming assistant principals and principals Becoming a School Leader is designed primarily for these master teachers as they contemplate the next step in their professional careers It will help them decide if school leadership is their correct career pathway Then it will provide them with the knowledge and skills they will need to navigate the process of finding a certification program and then applying for and obtaining school leadership positions Becoming a School Leader is also addressed to those already in certification programs providing a wealth of detailed information on the types of questions they might face on state examinations and in the arduous interview process Professors of Educational Leadership could make use of this book as a supplementary text in both entry and exit courses Finally neophyte principals will find this book helpful as they develop their
