Advanced Ethics For Addiction Professionals:

Advanced Ethics for Addiction Professionals Michael J. Taleff, 2009-11-13 The aspects of the book related to the philosophy of science and cognitive science inductive and deductive reasoning biases and heuristics are distilled in reasonable and useful ways I recommend this book to those addiction professionals who want to create their own framework for ethical decision making *PsycCRITIQUES* Ethical decision making is required in many of the difficult situations faced by addiction professionals In this guide Michael Taleff describes how to integrate critical thinking with ethical decision making This is a guide not on what to do when confronted with difficult ethical dilemmas but on how to think about what to do The author presents common ethical dilemmas that addiction professionals face in their daily work such as boundary issues confidentiality dual relationships and more and asks readers to consider their own responses to these dilemmas The book then shows readers how to apply new models of ethical thinking to practice Key features Presents an ethical self exam to encourage critical thinking about one's own decision making method Introduces a variety of models such as the social contract theory existentialist theory and ethical egoism Discusses how biases emotional reactions and fallacies can weaken ethical decision making Presents an introductory Ethics Judgment Kit a simple practical decision making procedure for students This book demonstrates how critical thinking skills can impact and improve the process of ethical decision making

Ethics for Addiction Professionals Jennifer D. Berton, 2013-12-03 Guidance for addiction counselors in understanding and applying ethical standards Filled with proven strategies to help you examine your current practice for ethical snags and refresh your ethical thinking *Ethics for Addiction Professionals* leads you in examining building and rebuilding aspects of your ethical practice with the goal of helping you become the strongest clinician possible ethically speaking Up to date and comprehensive this practical guide examines real life examples of ethical issues in clinical practice and illustrates potential pitfalls and the actions needed when faced with dilemmas Helping addiction counselors learn how to deal with and apply ethical standards *Ethics for Addiction Professionals* explores the gray area of common dilemmas and provides guidelines on how to determine the best course of action when the best course is unclear Covers basic principles that affect current ethical concerns and dilemmas Includes illustrative real world case studies Features well defined professional codes of ethics Treats ethics as a set of guidelines designed to protect the client the clinician and the profession as a whole **Exploring Ethical**

Dilemmas in Art Therapy Audrey Di Maria, 2019-03-22 *Exploring Ethical Dilemmas in Art Therapy* 50 Clinicians From 20 Countries Share Their Stories presents a global collection of first person accounts detailing the ethical issues that arise during art therapists work Grouped according to themes such as discrimination and inclusion confidentiality and scope of practice chapters by experienced art therapists from 20 different countries explore difficult situations across a variety of practitioner roles client diagnoses and cultural contexts In reflecting upon their own courses of action when faced with these issues the authors acknowledge missteps as well as successes allowing readers to learn from their mistakes Offering a

unique presentation centered on diverse vignettes with important lessons and ethical takeaways highlighted throughout this exciting new volume will be an invaluable resource to all future and current art therapists as well as to other mental health professionals

Governance Ethics in Healthcare Organizations Gerard Magill, Lawrence Prybil, 2020-01-28 Drawing on the findings of a series of empirical studies undertaken with boards of directors and CEOs in the United States this groundbreaking book develops a new paradigm to provide a structured analysis of ethical healthcare governance Governance Ethics in Healthcare Organizations begins by presenting a clear framework for ethical analysis designed around basic features of ethics who we are how we function and what we do before discussing the paradigm in relation to clinical organizational and professional ethics It goes on to apply this framework in areas that are pivotal for effective governance in healthcare oversight structures for trustees and executives community benefit community health patient care patient safety and conflicted collaborative arrangements This book is an important read for all those interested in healthcare management corporate governance and healthcare ethics including academics students and practitioners

The Cambridge Handbook of Applied Psychological Ethics Mark M. Leach, Elizabeth Reynolds Welfel, 2018-03-15 The Cambridge Handbook of Applied Psychological Ethics is a valuable resource for psychologists and graduate students hoping to further develop their ethical decision making beyond more introductory ethics texts The book offers real world ethical vignettes and considerations Chapters cover a wide range of practice settings populations and topics and are written by scholars in these settings Chapters focus on the application of ethics to the ethical dilemmas in which mental health and other psychology

professionals sometimes find themselves Each chapter introduces a setting and gives readers a brief understanding of some of the potential ethical issues at hand before delving deeper into the multiple ethical issues that must be addressed and the ethical principles and standards involved No other book on the market captures the breadth of ethical issues found in daily practice and focuses entirely on applied ethics in psychology Addictions Barbara S. McCrady,Elizabeth E. Epstein,2013-08-07 Addictions A Comprehensive Guidebook Second Edition features a roster of senior scientists covering the latest findings in the study of alcohol and other drug use abuse and dependence **Substance Use Disorders and Addictions** Keith Morgen,2024-09-18 Based on current research and theory Substance Use Disorders and Addictions Second Edition examines co occurring psychiatric disorders as the norm with substance use disorders and addictions With more than 25 years of experience in the field as a clinician a researcher a program developer and an instructor Keith Morgen encourages a holistic approach to working with individuals using three case examples throughout the text to encourage the sequential application of concepts to co occurring disorders The second edition includes coverage of the DSM 5 TR diagnostic criteria the 4th edition ASAM Placement Criteria and the 2024 CACREP and MPCAC Counseling Accreditation standards This second edition comes with over 300 new and recent scholarly sources Readers will benefit from this applied and cutting edge introduction to the field **Counseling Ethics** Ronald David Laing,Christin M. Jungers,H. Phillipson,A. R. Lee,2012-10-23 This book provides activity based learning regarding all the ethical standards and legal issues counselors will face It promotes in depth critical thinking and a proactive approach to ethical and moral dilemmas The book includes examples across all counseling settings and specialties and offers students multiple case examples that make ethical issues realistic and engaging **Treating Addiction** William R. Miller,Alyssa A. Forcehimes,Allen Zweben,2011-11-11 This book has been replaced by Treating Addiction Second Edition ISBN 978 1 4625 4044 0
