*An Adirondack Passage* Christine Jerome, 2015-02-25 A paddling classic back in print with new maps photos details and afterword Christine Jerome walked into the Adirondack Museum in Blue Mountain Lake NY and promptly fell in love with a 9 foot 10 pound canoe named the Sairy Gamp More than a century before in 1883 the Sairy Gamp had been paddled and portaged through the Adirondacks by a sixty one year old writer named George Washington Sears his pen name was Nessmuk The more Jerome learned about Sears the more she wanted to follow his route despite her lack of camping or canoeing experience In August 1990 she embarked in a 9 foot canoe made of Kevlar and with her husband John accompanying her in a slightly larger boat set off to retrace Sears s journey *An Adirondack Passage* is part social history part natural history part biography of Sears and part chronicle of a voyage Summer turns to fall while the Jeromes make their way north through sunshine and storms down cottage lined lakes and lonely wild streams Gusting winds bully their light canoes and by mid September the days are colder and shorter but the longer they paddle the more attached they become to the beauty around them Canada geese fly overhead monarch butterflies flutter southward and on the larger lakes young loons gather for their first migration to the sea Along the way the author pauses to tell us what Sears saw when he passed by and what happened to his favorite haunts in the ensuing century As the history of the region unfolds we meet hermits and millionaires hunting guides and society women hotelkeepers and dime novel writers and one lost dancing bear Christine Jerome has given us a memorable wilderness experience that readers who have never lifted a paddle will find fascinating and invigorating This new release from Breakaway Books is the third edition revised and updated with extra photos maps and a new afterword PRAISE FOR AN ADIRONDACK PASSAGE A fine piece of work and a great delight John McPhee An enchanting record of a canoe trip *The New Yorker* A writer of fine and watertight prose *An Adirondack Passage* is uncategorizable at once history naturalism sociology and a love story but unfailingly graceful *Boston Globe* Personal witty and thoughtful one of the best introductions to the area ever produced *Audubon* As refreshing a break from the busyness of life as I ve come across in awhile *Newsday* The writing is a constant pleasure Jerome has a style that suits her subject quiet and gentle as a paddle in still water She delivers her lore with wit and whimsy with fine descriptions and without shrill preaching or righteous posturing *Smithsonian* The closest thing to a national nonfiction best seller that the region has seen in ages and deservedly so *Adirondack Life* A captivating account She takes us into a world of hermits and millionaires of wild streams and glorious mountain scenery *Publishers Weekly* A delightful tale An informative readable adventure whose history and environmental lessons are taught well *Library Journal* *Rooted in Rock* Jim Gould, 2001-06-01 In the past twenty years the Adirondacks have inspired a resident population of writers who have gained regional and national prominence using the Adirondack region as their primary setting and subject matter or at least as a significant point of departure *Rooted in Rock* is the first collection of its kind in more than twenty years since Paul Jamieson s *Adirondack Reader* What makes the volume

unique though is the number of contributors who not only make the Adirondacks their subject but who make their homes in these mountains The works in this volume include contemporary essays literary nonfiction poetry short fiction and excerpted fiction and are a mix of new and previously published writings by forty three authors established as well as emerging including Bill McKibben Sue Halpern Russell Banks Alex Schoumatoff Chase Twichell Curt Stager Amy Godine and Jim Gould to name a few

*The Father of American Conservation* Thom Hatch, 2020-02-18 Award winning author Thom Hatch presents the definitive biography of George Bird Grinnell 1849 1938 who was recognized in his time as The Father of American Conservation This book chronicles not only Grinnell s life but also offers a history of his accomplishments in saving the wildlife and natural resources of this country A remarkable man Grinnell was known as a model of intellectual diversity integrity and professional dedication He was a daring adventurer and explorer crusading magazine publisher and editor Forest and Stream now Field and Stream prolific author accomplished outdoorsman notable paleontologist ethnologist ornithologist and anthropologist presidential advisor advocate for Native Americans and this country s first environmental activist whose contributions in that arena are unparalleled in American history

### **Boats and Boating in the Adirondacks**

Hallie E. Bond, 1998-08-01 Adirondack history is a tale written o the water In the Adirondacks people have traveled conducted warfare hunted and fished gone to church proposed marriage and driven logs in on from or by water Without boats small and large Adirondack history social recreational commercial and environmental would be an affair entirely different from what we have come to know In this lavishly illustrated account Hallie E Bond presents a history of these boats canoes sailboats power launches outboards and the indigenous guideboat that figure prominently in the overall history of the Adirondacks The pre contact Indians paddled dugout and bark canoes in the seventeenth and eighteenth centuries these craft were joined by skiffs and bateaux Between 1820 and World War II a distinctive tradition of boat building developed culminating in the famous Adirondack guideboat As the nineteenth century progressed a variety of small fresh water musclepowered boats was produced in the Adirondacks an assemblage matched by only a few places in the country There were the canoes and the men that made them famous John Henry Rushton and Nessmuk and the guideboats and their builders H Dwight Grant and Willard Hanmer In the early twentieth century the development of the internal combustion engine irrevocably changed not only boat use and design but life and leisure in the Adirondacks Bond skillfully captures the whole panorama of boats and boating in the Adirondacks from early dugouts and bateaux to the highpowered inboards that won Gold Cup races on Lake George and the Kevlar pack canoes of today Drawing on her experience as an historian and Curator of Collections and Boats at the Adirondack Museum Bond places events and trends of the region in the context of national and international history and describes the significant contribution of the Adirondacks in the early twentieth century development of recreation and travel in America Boats and Boating in the Adirondacks also includes a descriptive catalog of boats from the museum s own collection with nearly two hundred illustrations in addition to those in the narrative a list of

boatbuilders active in the North Country before 1975 and a valuable glossary of terms      The Extraordinary Adirondack Journey of Clarence Petty Christopher Angus,2015-02-25 Author and naturalist Christopher Angus profiles for the first time the adventurous life of Clarence Petty one of the great pioneer conservationists of the Adirondack Mountain region of New York State Raised in the heart of the Adirondack wilderness between Tupper and Saranac Lakes Petty overcame his humble beginnings and pursued a variety of careers as wilderness guide forester Civilian Conservation Corps camp director World War II pilot district ranger and aerial forest fire fighter ultimately leaving his indelible mark as a lifelong advocate for the protection of the wilderness The story of Petty s life reads like a Horatio Alger novel His father moved to the mountains in the 1880s to work as a guide His mother was a cook for one of the popular sportsmen s hotels in the area Young Clarence and his brothers enjoyed the kind of childhood freedom and independence that today s youngsters can only dream about Their father s sense of self reliance and their mother s drive to educate her sons led all three to attend college Clarence followed a path of service to the American landscape His influence on state policy regarding the Adirondack Park and especially its millions of acres of wilderness has been profound His life story provides a window into the politics of conservation in the Adirondack region from the early days of the twentieth century to the present      Early American Nature Writers Daniel Patterson,2007-11-30 At a time when the environment is of growing concern to students and general readers nature writing is especially meaningful This book profiles the literary careers of 52 early American nature writers such as John James Audubon Ralph Waldo Emerson Caroline Stansbury Kirkland Thomas Jefferson Henry David Thoreau and Mabel Osgood Wright Each entry is written by an expert contributor and discusses the writer s life and works Entries close with primary and secondary bibliographies and the encyclopedia ends with suggestions for further reading Global warming pollution and other issues have made the environment a topic of constant discussion these days Many environmental concerns were treated by early American nature writers who recognized the beauty of the natural world in an age of commercial expansion Some of the most famous writers of the 18th and 19th centuries wrote about nature and their works are stylistic masterpieces At a time when students are being encouraged to read and write about nonfiction these masterworks of early American nature writing are all the more important This book gives students and general readers a welcome introduction to early American nature writers      **Literature of Nature** Patrick D.
