Four or five years ago at the instance of some of my nearest co workers I agreed to write my autobiography I made the start but scarcely had I turned over the first sheet when riots broke out in Bombay and the work remained at a standstill it is not my purpose to attempt a real autobiography I simply want to tell the story of my numerous experiments with truth and as my life consists of nothing but those experiments it is true that the story will take the shape of an autobiography But I shall not mind if every page of it speaks only of my experiments I believe or at any rate flatter myself with the belief that a connected account of all these experiments will not be without benefit to the reader **The Story of My Experiments With Truth** Mohandas Gandhi, 2016-10
