An Illustrated Companion To The First World War

Kevin D. Stubbs

An Illustrated Companion To The First World War:

The Illustrated History of World War I Andrew Wiest, 2014-06-11 With the aid of more than 250 photographs and artworks The Illustrated History of World War I recreates the battles and campaigns that raged across the surface of the globe on land at sea and in the air including maps of specific actions and campaigns and feature boxes explaining important events and personalities involved in the conflict

The Joseph M. Brucoli Great War Collection at the University of South Carolina Elizabeth A. Sudduth, 2005 Brucoli Great War Collection at the University of South Carolina An Illustrated Catalogue provides a reference tool for the study of one of the great watershed moments in history on both sides of the Atlantic serving historians researchers and collectors

The Jewish Legion during the First World War M. Watts, 2004-10-20 In the autumn of 1917 the British government established three battalions of infantry for the reception of non nationalized Russian Jews Known colloquially as the Jewish Legion the battalions served in Egypt and Palestine before their eventual disbandment in the late spring of 1921 By drawing on the testimonies of over 600 veterans this unique unit is analyzed from within its political and social context thus providing fresh insights into Anglo Jewish relations during the early twentieth century

Eddie Rickenbacker W. David Lewis, 2005-12-08 David Lewis has written the definitive biography of America's ace of aces

The Western Front 1917-1918 Andrew Wiest, 2014-02-23 With the aid of over 300 photographs complemented by full colour maps The Western Front 1917 1918 provides a detailed guide to the background and conduct of the conflict on the Western Front in the final years of World War I

Race to the Front Kevin D. Stubbs, 2002-09-30 When war broke out in Europe in 1914 nearly every combatant foresaw a short decisive conflict Experience would soon prove however that this belief was sorely misplaced Eventually excessive economic dislocations would topple every authoritarian regime Only the intervention of the United States would save the British and the French from collapse This book traces the trilateral struggle between the Entente the Central Powers and the United States to determine the outcome of the war Stubbs focuses on a few essential factors vital to understanding this three way race the acquisition of war materiel food human resources and the movement of each In an analysis of coalition strategies it is not enough to study the memoirs and memoranda of General Staffs or political figures engaged in war One must also examine the roles played by each population their industries economy means of transportation and the financial decisions that make such strategies possible In short the material foundations of war set the boundaries within which strategic maneuvers occur Ultimately the United States determined the outcome of the First World War not simply because it provided the last untapped reservoir of manpower but due to its overall economic contributions to the allied effort

The Battles of the British Expeditionary Forces, 1914-1915 Fred R. van Hartesveldt, 2005-04-30 In this valuable resource over 1 000 annotated sources from Great Britain France and Germany offer a historiographical reference for study of the British army at the beginning and in the first battles of World War I Unique to this bibliography is the comprehensive coverage of sources resulting in a more complete picture of

the circumstances of activities of the British Expeditionary Force BEF Sources include coverage of the BEF s military role as well as background information about domestic military considerations and Allied and enemy efforts This volume will support researchers and students in their efforts to find out what the Expeditionary Force s contributions were in World War I and for expanding their knowledge of the Great War and British military history In this valuable resource over 1 000 annotated sources from Great Britain France and Germany offer a historiographical reference for study of the British army at the beginning and in the first battles of World War I Unique to this bibliography is the comprehensive coverage of sources and it results in a more complete picture of the circumstances of activities of the British Expeditionary Force BEF Sources include coverage of the BEF s military role as well as background information about domestic military considerations and Allied and enemy efforts This volume will support researchers and students in their efforts to find out what the Expeditionary Force s contributions were in World War I and for expanding their knowledge of the Great War and British military history The volume includes four chapters of historiographical essays discussing the interpretations and controversies that surround the performance and leadership of the BEF in 1914 1915 The essays direct readers to the major sources that support various ideas and indicate gaps in the historiography of the subject Following the historiographical essays is an annotated bibliography of more than 1 000 sources that are relevant to the study of the BEF

World War I Andrew Wiest, 2016-12-15 The first world war which was supposed to be the war to end all wars is analyzed and retold in this title in the Primary Sources in World Warfare series Broken down for students by region chronology and strategy the text provides a comprehensive history paired with primary sources and photos Sidebars feature key military and political figures illustrations and fact boxes identify weapons and military innovations and maps show the progress and devastation of the conflict that would span the globe Students will explore the causes results and military techniques of World War I in illustrated detail

The Dardanelles Campaign, 1915 Fred R. van Hartesveldt, 1997-11-20 The passage of time has not slowed the production of books and articles about World War I This volume provides a guide to the historiography and bibliography of the Dardanelles Campaign including the Gallipoli invasion It focuses on military history but also provides information on political histories that give significant attention to the handling of the Dardanelles Campaign The opening section of the book provides background information about the campaign discusses the major sources of information and lays out the major interpretative disputes A comprehensive annotated bibliography follows This book nicely complements the two earlier volumes on World War I battles *The Battle of Jutland* by Eugene Rasor and *The Battles of the Somme* by Fred R van Hartesveldt *Barnsley in the Great War* Geoffrey Howse, 2017-05-31 Geoffrey Howse is well known for his books on Yorkshire subjects including six books in the Foul Deeds Suspicious Deaths series two of which cover Barnsley and District and a third which covers South Yorkshire as a whole In *Barnsley in the Great War* he has pulled out the stops and delved deeply into a wide range of diverse events that took place throughout Barnsley during the time when the most horrendous

conflict known to man was raging abroad As well as including interesting passages about the enormous changes that were taking place concerning the employment of women in roles they had never imagined possible he has also assembled some fascinating accounts spanning the whole of Barnsley packed with interesting sometimes mind blowing facts about this beautiful area and its wonderful people Within its seven absorbing chapters covering the prelude to the Great War and its aftermath this book is sure to capture the curiosity of all individuals with an interest in the social history of Barnsley

Thank you extremely much for downloading **An Illustrated Companion To The First World War**. Maybe you have knowledge that, people have seen numerous times for their favorite books behind this An Illustrated Companion To The First World War, but end occurring in harmful downloads.
