E.N. Joy, Sherri L. Lewis, Rhonda McKnight, 2013-04-01 Three prolific Urban Christian authors have teamed up in this anthology that proves revenge isn t always so sweet Musik Jalice Carter is in love The only problem is that she doesn t believe the man is in love with her What makes it even worse is that the man is her husband Musik really starts to doubt his love for her when she uncovers secrets on his social networking page Having given that man 15 years of her life Musik is not going to walk away without getting answers and more importantly without getting revenge Sabrina Rogers is devastated when she finds out that the man of her dreams has another woman She s mortified when she discovers it s her mother At odds for years mother and daughter finally settle their differences to join forces against Blake Harrison Revenge never tasted so sweet as they team up to put this player out of commission for good But after the dirty deed is done will forgiveness and faith be enough to keep their relationship together Where do broken hearts go If you re Tamera Watson you go to the pawn shop to buy a gun Tamera s husband is gone and so is her life savings With the last of her pennies she pays a private detective to hunt him down so she can gun him down When she finds him will she be able to pull the trigger or will the God of her heart stop her before she lets her desire for revenge take her too far [What Kind of Fool](#)

at him Greg wants his wife back but he ll have to do some fancy operating to get her When the secrets and lies from his past continue to mess up his future Greg finds himself looking to the God he abandoned long ago for a miracle only faith can provide Samaria Jacobs finally has the one thing she s always wanted a man with money The fact that she s in love with him is a bonus but even so life is anything but blissful She s paying for her past sins in ways she never imagined and living in fear that the secret she s keeping will separate them forever **The Christian Case against Contraception** Bryan C.

Hodge,2010-01-01 Evangelicals often give little thought to the morality of contraception but when they do serious studies of the subject are scarce if not non existent The Christian Case against Contraception seeks to fill this gap by evaluating the practice not from personal preferences or more experience but from the four major theological disciplines of Christianity Historical Biblical Systematic and Practical Theology and Ethics The book begins with a contrastive analysis between secular and ecclesiastical culture and thought concerning the subject of contraception and the purpose of the sexual act The claims of the Church that contraception is morally unacceptable is examined further as the book takes the reader on a journey through biblical systematic and practical arguments which establish the foundations of the Historic Church s claim Opposing arguments are evaluated as to their strength and validity In fact Hodge stirs the debate with a challenge that he has yet to see Christians set forth a valid biblical argument in support of contraceptive practices For the reader seeking to place procreative ethics under the lordship of Christ The Christian Case against Contraception offers a bold and clear way forward Bryan Hodge approaches a subject that seems too often to be subject to our passions with sobriety and fidelity He canvasses the wisdom of the church stands firm on the authority of the Bible and in so doing directs us all to greater obedience greater faith and in the end greater joy R C Sproul Jr author of Bound for Glory **The Gentleman's Magazine** ,1788 *The Pall Mall Budget* ,1881 **Muslim American Women on Campus** Shabana Mir,2014 Muslim American Women on Campus Undergraduate Social Life and Identity **Justice of the Peace and Local Government Review** ,1918 *The Christian Century* ,1955 **Family and the State in Early Modern Revenge Drama** Chris McMahon,2012 This book considers Early Modern revenge plays from a political science perspective paying particular attention to the construction of family and state institutions Exploring whether or not the plays see revenge as justified McMahon argues that they suggest the private family should become an informal state apparatus and considers the pertinence of this conclusion for contemporary politics By mapping transactions of capital in and around the plays this book discovers new ways of looking at traditional problematics Considerations of plays such as The Spanish Tragedy Hamlet and The Revenger s Tragedy depart from the tradition of moral criticism by taking an anthropological stance mapping capital transactions to come to a better understanding of the plays in all their brilliance and complexity McMahon responds to deconstructionist Marxist and feminist readings as he studies symbolic and material forms of capital in exemplary Early Modern plays
