**Fragile World** William T. Cavanaugh, 2018-05-22 In *Fragile World Ecology and the Church* scholars and activists from Christian communities as far flung as Honduras the Philippines Colombia and Kenya present a global angle on the global ecological crisis in both its material and spiritual senses and offer Catholic resources for responding to it This volume explores the deep interconnections for better and for worse between the global North and the global South and analyzes the relationship among the physical environment human society culture theology and economics the integral ecology described by Pope Francis in *Laudato Si* Integral ecology demands that we think deeply about humans and the physical environment but also about the God who both created the world and sustains it in being At its root the ecological crisis is a theological crisis not only in the way that humans regard creation and their place in it but in the way that humans think about God For Pope Francis in *Laudato Si* the root of the crisis is that we humans have tried to put ourselves in God's place According to Pope Francis therefore A fragile world entrusted by God to human care challenges us to devise intelligent ways of directing developing and limiting our power

**Confronting the Challenge** Suzanne Mulligan, 2010 This book examines some of the ways in which HIV AIDS is affecting South African society Catholic theological responses have focused extensively on the implications of HIV AIDS for the area of sexual ethics Although there are important questions to be answered here many more fundamental issues have been overlooked as a result This book responds to the need within Catholic theology for a greater examination of the injustices associated with the AIDS pandemic The author argues that the human rights challenges associated with poverty gender discrimination sexual violence and access to essential AIDS related health care are a crucial feature of the crisis The author turns to the social teaching of the Catholic Church for a fuller framework of analysis in this regard and provides a critical examination of that teaching's core concepts and principles The work of leading international economists Amartya Sen and Muhammad Yunus is explored as a means of relating the principles of Catholic social teaching to the concrete social and economic realities that exacerbate this global pandemic

**After Vatican II** James L. Heft, John O'Malley, 2012-07-20 Proceedings of a conference held in Feb 2009 at the University of Southern California

**Catholic Bioethics and Social Justice** M. Therese Lysaught, Michael P. McCarthy, 2019-01-10 Catholic health care is one of the key places where the church lives Catholic social teaching CST Yet the individualistic methodology of Catholic bioethics inherited from the manualist tradition has yet to incorporate this critical component of the Catholic moral tradition Informed by the places where Catholic health care intersects with the diverse societal injustices embodied in the patients it encounters this book brings the lens of CST to bear on Catholic health care illuminating a new spectrum of ethical issues and practical recommendations from social determinants of health immigration diversity and disparities behavioral health gender questioning patients and environmental and global health issues
