Alien Viruses Crashed Ufos Mj 12 And Biowarfare:

Alien Viruses Robert M. Wood, Nick Redfern, 2013-07-04 This book the first of its kind delves into the many leaked documents that describe research into alien biology and virology Dr Robert Wood s forensic analysis of the documents themselves argues strongly for their authenticity And their implications are startling Alien viruses are not only deadly but are of key importance to biological warfare on Earth Wood examines the mysterious deaths of key microbiologists and virologists offers insight into the huge government secret expenditures and provides an incredible revelation from an Area 51 insider on autopsies of bodies of unknown origin With assistance from seasoned researcher Nick Redfern extensively footnoted and with a comprehensive Index this is the authoritative treatment of the subject **The Zombie Book** Nick Redfern, Brad Steiger, 2014-08-18 Two experts on the unexplained and paranormal team up to bring you the definitive guide to zombies The apocalypse of the rapacious infectious living dead is more probable than ever at least if movies books and television are to be believed But long before exotic viruses biological warfare and sinister military experiments brought the dead back to life in our cinemas and on our television screens there were the dark spells and incantations of the ancient Egyptians the Sumerians and the Babylonians Blending the historical with the modern the biographical with the literary the plants and animals with bacteria and viruses the mythological with the horrifying true tales The Zombie Book The Encyclopedia of the Living Dead is a comprehensive resource for understanding combating and avoiding all things zombie More than 250 entries cover everything about the ignominious role in folklore and mythology to today s pop culture including Pride and Prejudice and Zombies Mad Cow Disease The Spanish Flu Pandemic of 1918 The Centers for Disease Control and FEMA s Zombie Preparedness plans The MacArthur Causeway Face eating Zombie Nazi Experiments to Resurrect the Dead Night of the Living Dead and much much more Blending historical review and a lot of pop culture fun with chilling tales of ravenous end of times horrors The Zombie Book is perfect for browsing or for a thorough reading by fans of the macabre An extensive bibliography and index make this the perfect start to anyone s quest for preparing for a zombie cataclysm **The Final Report on Operation Majestic 12** Stanton Friedman, 2005-12-15 It should be no surprise that the various highly classified Operation Majestic 12 or Majic 12 or MJ 12 documents have been attacked since their existence was first made public Equally unsurprising is the fact that a number of phony or hoax or fraudulent MJ 12 documents have been released as well But if the original documents such as the Eisenhower Briefing Document of November 18 1952 the Truman Forrestal Memo of Sept 24 1947 and the Cutler Twining Memo of July 14 1954 found in July 1985 in Box 189 of Entry 267 of Record Group 341 at the National Archives by Jaime Shandera and William Moore are genuine then the consequences are enormous aliens are visiting Earth the government has recovered at least one crashed saucer and several alien bodies and a very significant group of outstanding American scientists and military leaders has collected reviewed evaluated and kept secret all kinds of information about the visitors Under such a scenario mankind is NOT alone and the government has covered up the biggest

story of the millennium and perhaps history in general Ten years after the 1984 receipt of a roll of exposed 35mm film by Jaime Shandera at his Burbank California home and his efforts with William Moore and Stanton Friedman to evaluate them a new roll of film showed up in the mailbox of aviation and science writer and longtime ufologist Don Berliner This contained many pages of SOM 1 01 Majestic 12 Group SPECIAL OPERATIONS MANUAL Extraterrestrial Entities and Technology Recovery and Disposal Ufologists and UFO buffs alike owe it to themselves to look seriously at the material gathered here by Friedman and decide for themselves whether or not we need to continue pushing for Disclosure and the truth
