All Means Story Peter Maureen:

Marked Men Sally Robinson, 2000-08-31 White men still hold most of the political and economic cards in the United States yet stories about wounded and traumatized men dominate popular culture Why are white men jumping on the victim bandwagon Examining novels by Philip Roth John Updike James Dickey John Irving and Pat Conroy and such films as Deliverance Misery and Dead Poets Society as well as other writings including The Closing of the American Mind Sally Robinson argues that white men are tempted by the possibilities of pain and the surprisingly pleasurable tensions that come from living in crisis Adventures of the Norfolk Hero Gary F. Bullard, 2012 With life like a merry go round here is an adventure set in the heart of a local pub An adventure of comical euphoria tinged within the shadows of sadness where life death murder and birth are all just an evening pint away If a train stopped at the station we could all escape the mayhem

Gale Morrison,2009-11 We Were

the Zonks was born out of my love of song and my desire to promote the music of my youth The story which became the vehicle to accomplish this came to me in Sydney Nebraska at a Dairy Queen There inside the newly remodeled restaurant was a picture of a long ago defunct band who called themselves The Zonks The boys who comprised the band were sitting on a Volkswagen Beetle with their instruments in front of a Dairy Queen from either the early 70 s or late 60 s judging from the incidental evidence The caption in the photograph indicated that they had been hired to travel around the country and give impromptu concerts obviously to draw crowds and sell ice cream cones The picture was just a decorative memento but I was mesmerized and stared at it for an inordinate amount of time Later while traveling down the interstate I began to wonder about the guys who made up the band I wondered if they missed those bygone days I wondered where they were and what they were doing now And then I imagined what might happen if they had a reunion and a little magic came along This mythical reunion is where the story starts It is there that the characters in my book discover that they still have a burning desire to create and share music The fictionalized Zonks still want the dream 40 years after they broke up and I don t think they are very different from any boy who ever picked up a guitar and tried to play three chords and carry a tune There are millions and millions of wannabe rock stars driving trucks delivering mail assembling widgets and doing any manner of mundane job that you might care to imagine What would I give to be able to play guitar like Jimmy Page Name your body part And I know I am not unusual I move people for a living and I know it s unusual for a man to not have a college guitar buried deep in his closet literally and figuratively What really happened to the boys on the Volkswagen If this book becomes popular maybe we will all find out I know I am curious It would be fun to see if my storyline or character development in any way mirrors the actual story of their lives What if this book motivates them to have a real reunion What if they really did record some songs 40 years ago I for one would love to hear an old Zonk 45 Anyone out there gotta turntable Anyone out there still know what a 45 is A show of hands please You there Yeah you Way in the back Remember when vinyl ruled Remember when digital data was only in science fiction novels You are going to like this book The author resides in Elberfeld Indiana owns and operates a truck and travels the length and breadth of these united States moving people hither and yon as a contractor with the best van line in the country Wheaton Van Lines He is married and has ten kids Jimmy Matthew Aaron Emily Daniel Niklaus Madeline Christopher Wyatt and Lucianne Counting Yep that was ten Eight children are still at home with his wife of 27 years Rosanna She tends to them along with three horses two snakes and a cat named Mac that walks through walls The author was born in Carmi Illinois and has a brother and sister His mother and father live in Grayville Illinois Grayville is where the majority of his vast extended family also hail from The family 4th of July picnic reunion there is almost a separate national holiday unto itself We Were the Zonks is his first novel and it was over two years in the making

The Book of Love Kathleen McGowan, 2012-12-11 Once there was a gospel written in Christ s own hand a treasure of almost unimaginable magnitude referred to by the Cathars of medieval France as The Book of Love Fresh from her successful

search for the long hidden scrolls written by Mary Magdalene journalist Maureen Pascal now finds herself on the trail of the legendary lost gospel known as the Book of Love But just as there were those who would stop at nothing to seize and suppress the Book of Love seven centuries ago so there are those today who are equally determined that its radical message should never be revealed In a race across Italy and France new dangers await Maureen and her lover Sinclair as they begin to uncover secrets and shine new light on the hidden corners of Christianity Combining expert research with dazzling plot twists The Book of Love is sure to thrill readers as they follow Maureen s search for clues through some of the world s greatest art architecture and history until a potentially fatal encounter reveals the Book of Love to her and to us *LIFE*,1959-05-11 LIFE Magazine is the treasured photographic magazine that chronicled the 20th Century It now lives on at LIFE.com the largest most amazing collection of professional photography on the internet Users can browse search and view photos of today s people and events They have free access to share print and post images for personal use
