All Music Guide

Mark Steyvers

All Music Guide:

All Music Guide Vladimir Bogdanov, Chris Woodstra, Stephen Thomas Erlewine, 2001-11 Arranged in sixteen musical categories provides entries for twenty thousand releases from four thousand artists and includes a history of each musical genre

All Music Guide to Country Michael Erlewine, 1997-06 Reviews and rates the best recordings of country artists and groups provides biographies of the artists and charts the evolution of country music

All Music Guide to Soul Vladimir Bogdanov, 2003-08-01 This comprehensive guide is a must have for the legions of fans of the beloved and perennially popular music known as soul and rhythm blues A member of the definitive All Music Guide series the All Music Guide to Soul offers nearly 8 500 entertaining and informative reviews that lead readers to the best recordings by more than 1 500 artists and help them find new music to explore Informative biographies essays and music maps trace R B s growth from its roots in blues and gospel through its flowering in Memphis and Motown to its many branches today Complete discographies note bootlegs important out of print albums and import only releases Extremely valuable and exhaustive The Christian Science Monitor

The Words and Music of Frank Zappa Kelly Fisher Lowe, 2007-10-01 A deep look at the work of one of the most insightful and incisive critics of late 20th century American culture

Old School Rap and Hip-hop Chris Woodstra, John Bush, Stephen Thomas Erlewine, 2008-02 Contains brief reviews of over five hundred old school rap and hip hop albums as well as albums from the 1960s and 70s that provided inspiration for the development of rap arranged alphabetically some with cover art

The Words and Music of James Taylor James E. Perone, 2017-11-10 A valuable resource for James Taylor fans and a fascinating read for anyone interested in autobiographical popular music of the past 50 years What kinds of unusual musical forms and lyrical structures did American singer songwriter James Taylor incorporate into his songs What role did Taylor play in the introspective singer songwriter movement of the 1970s How did Taylor write and record songs that were inspired from his own experiences in life that touched so many other people The Words and Music of James Taylor explores these specific topics and provides detailed critical analysis of the songs and recordings of this well known musical icon examining his melodic writing his use of harmony and his often unappreciated tailoring of musical form to enhance his lyrical messages The book is organized chronologically primarily around Taylor s studio albums from 1968 to 2015 and offers an introduction a summary of Taylor s career and importance as well as an annotated bibliography and discography The final section of the book presents an overview of Taylor s importance and lasting impact an analysis of themes that run through his songs and an explanation of how Taylor s treatment of these themes changed over the years as he matured and as the world around him changed

More Important Than the Music Bruce D. Epperson, 2013-10-01 Today jazz is considered high art America s national music and the catalog of its recordings its discography is often taken for granted But behind jazz discography is a fraught and highly colorful history of research fanaticism and the intense desire to know who played what where and when This history gets its first full length treatment in Bruce D Epperson s More Important Than the Music

Following the dedicated few who sought to keep jazz's legacy organized Epperson tells a fascinating story of archival pursuit in the face of negligence and deception a tale that saw curses and threats regularly employed with fistcuffs and lawsuits only slightly rarer Epperson examines the documentation of recorded jazz from its casual origins as a novelty in the 1920s and 30s through the overwhelming deluge of 12 inch vinyl records in the middle of the twentieth century to the use of computers by today's discographers Though he focuses much of his attention on comprehensive discographies he also examines the development of a variety of related listings such as buyer's guides and library catalogs and he closes with a look toward discography's future From the little black book to the full featured online database More Important Than the Music offers a history not just of jazz discography but of the profoundly human desire to preserve history itself

Mods, Rockers, and the Music of the British Invasion James E. Perone, 2008-11-30 Musical floodgates were opened after the Beatles first appearance on The Ed Sullivan Show on February 9 1964 Suddenly the U S record charts radio and television were overrun with British rock and pop musicians Although this British Invasion was the first exposure many Americans had to popular music from the United Kingdom British pop and more specifically British rock and roll had been developing since the middle of the 1950s Author James Perone here chronicles the development of British rock from the 1950s imitators of Elvis Presley and other American rockabilly artists to the new blends of rockabilly R B Motown and electric blues that defined the British Invasion as we recognize it today Die hard fans of the Beatles the Who and the Kinks will all want a copy as will anyone interested in the 1960s more generally May 1964 saw major gang style battles break out in British resort communities between the Mods and the Rockers The tensions between the two groups had been developing for several years with each group claiming their own sense of culture and style The Mods wore designer clothing rode Vespa motor scooters and shared an affinity for black American soul music while the Rockers favored powerful motorcycles greased back hair and 1950s American rock and roll It was within this context that the sounds of the British Invasion developed Mods Rockers and the Music of the British Invasion chronicles the development of British rock through the iconic artists who inspired the movement as well as through the bands who later found incredible success overseas In addition to analyzing the music in the context of the British youth culture of the early 1960s Perone analyzes the reasons that the British bands came to so thoroughly dominate the record charts and airwaves in the United States The contributions of Cliff Richard Billy Fury Johnny Kidd and the Pirates Tommy Steele the Tornados Tony Sheridan Blues Incorporated and others to the development of British rock and roll are examined as are the contributions and commercial and artistic impact of major British Invasion artists such as the Beatles the Rolling Stones the Dave Clark Five the Yardbirds Manfred Mann the Who the Kinks and others After investigating these groups and their influences upon one another Perone concludes by examining the commercial and stylistic impact British rock musicians had on the American music of the time

Selecting Materials for Library Collections Linda S Katz, 2012-12-06 Strategies and tools to help you plan build and maintain your library collection

Selecting Materials for Library Collections takes you step by step through the process of planning building and maintaining a quality library collection This up to date guide addresses the interests and concerns of academic and public libraries with expert advice on budgets policies and planning The book examines print non print and Internet selection resources including the OCLC WorldCat Database and ACQNET L You ll find valuable information you can apply right away to help you keep any collection relevant and up to date Selecting Materials for Library Collections provides the tools you need to keep your library collection current Seasoned experts share their thoughts on how to analyze your users expectations and then provide them with the materials they need The contributors also examine the selection aids that they use in their own acquisitions work and then look at how to achieve a balanced collection that efficiently serves their clients needs Supplementary reading lists and extensive bibliographies provide you with additional resources Selecting Materials for Library Collections presents the latest information on using print non print and Internet selection resources such as OCLC WorldCat database and ACQNET L initial collection assessment and decision making collection tool evaluations acquiring international core titles the New Thought movement approval plans set up maintenance and evaluation the newest technology for media selection specialized library collections in music art business economics health sports leisure and more 1969 Rob Kirkpatrick, 2011-01-24 For the fortieth anniversary of 1969 Rob Kirkpatrick takes a look back at a year when America witnessed many of the biggest landmark achievements cataclysmic episodes and generation defining events in recent history 1969 was the year that saw Apollo 11 land on the moon the Cinderella stories of Joe Namath s Jets and the Miracle Mets the Harvard student strike and armed standoff at Cornell the People s Park riots the first artificial heart transplant and first computer network connection the Manson family murders and cryptic Zodiac Killer letters the Woodstock music festival Easy Rider Kurt Vonnegut s Slaughterhouse Five the Battle of Hamburger Hill the birth of punk music the invasion of Led Zeppelin the occupation of Alcatraz death at Altamont Speedway and much more It was a year that pushed boundaries on stage Oh Calcutta screen Midnight Cowboy and the printed page Everything You Always Wanted to Know about Sex witnessed the genesis of the gay rights movement at Stonewall and started the era of the no fault divorce Richard Nixon became president the New Left squared off against the Silent Majority William Ayers co founded the Weatherman Organization and the nationwide Moratorium provided a unifying force in the peace movement Compelling timely and quite simply a blast to read 1969 chronicles the year through all its ups and downs in culture and society sports music film politics and technology This is a book for those who survived 1969 or for those who simply want to feel as alive as those who lived through this time of amazing upheaval
