All My Sins Remembered Wilfred R. Bion, 2018-03-28 *All My Sins Remembered* is the continuation of Wilfred Bion s autobiography *The Long Week end* Although it is by no means a full account of his thirty years following the First World War and he wrote no more his memories of that period contrast vividly with the impression we gain of the following thirty years of his life through his letters *The Other Side of Genius* gives us a glimpse of this remarkable man as his family knew him those who met him only through his professional work will find here the same characteristic threads of humour concern for truth and flashes of insight that were the hallmark of his work in psycho analysis OXFORD Thus opened for me a period of unparalleled opportunities to which I
