Artful Ali Smith, 2024-04-02 Ali Smith melds the tale and the essay into a magical hybrid form a song of praise to the power of stories in our lives In February 2012 the novelist Ali Smith delivered the Weidenfeld lectures on European comparative literature at St Anne's College Oxford Her lectures took the shape of this set of discursive stories Refusing to be tied down to either fiction or the essay form Artful is narrated by a character who is haunted literally by a former lover the writer of a series of lectures about art and literature A hypnotic dialogue unfolds a duet between a meditation on art and storytelling a book about love grief memory and revitalization Smith's heady powers as a fiction writer harmonize with her keen perceptions as a reader and critic to form a living thing that reminds us that life and art are never separate Artful is a book about the things art can do the things art is full of and the quicksilver nature of all artfulness It glances off artists and writers from Michelangelo through Dickens then all the way past postmodernity exploring every form from ancient cave painting to 1960s cinema musicals This kaleidoscope opens up new inventive elastic insights on the relation of aesthetic form to the human mind the ways we build our minds from stories the bridges art builds between us Artful is a celebration of literature's worth in and to the world and a meaningful contribution to that worth in itself There has never been a book quite like it **Hotel World** Ali Smith, 2011-07-27 BOOKER PRIZE FINALIST Forget room service this is a riotous elegy a deadpan celebration of colliding worlds and a spirited defense of love Blending incisive wit with surprising compassion Hotel World is a wonderfully invigorating life affirming book Five people four are living three are strangers two

are sisters one a teenage hotel chambermaid has fallen to her death in a dumbwaiter But her spirit lingers in the world straining to recall things she never knew And one night all five women find themselves in the smooth plush environs of the Global Hotel where the intersection of their very different fates make for this playful defiant and richly inventive novel

There But For The Ali Smith, 2011 When Miles Garth locks himself in an upstairs room during a dinner party and communicates only through notes slipped under the door his involuntary hosts beg help from childhood friend Anna who is unwittingly thrust into the family's surreal world By the Whitbread Award winning author of *The Accidental*

Diffraction Reading Kai Merten, 2021-05-27 Putting the New Materialist figure of diffraction to use in a set of readings in which cultural texts are materially read against their contents and their themes against their readers or against other texts this volume proposes a critical intervention into the practice of reading itself In this book reading and reading methodology are probed for their materiality and re considered as being inevitably suspended between or diffracted with both matter and discourse The history of literary and cultural reading including poststructuralism and critical theory is revisited in a new light and opened up for a future in which the world and reading are no longer regarded as conveniently separate spheres but recognized as deeply entangled and intertwined *Diffraction Reading* ultimately represents a new reading of reading itself firstly by critiquing the distanced perspective of critical paradigms such as translation and intertextuality in which texts encountered processed or otherwise subdued secondly showing how all literary and cultural readings represent different agential cuts in the world text reader constellation which is always both discursive and material and thirdly the volume materializes dynamizes and politicizes the activity of reading by drawing attention to reading's intervention in and co creation of the world in which we live
